## DOCUMENT 2: TESTIMONY

*“Suzie and I couldn’t have asked for a more magical venue for our wedding. James and his team have to be the best in the business. The organisation [...] made our wedding day absolutely first class. I thought it would be hard to compete with the beauty of the tower itself. But James' team along with the companies we used for catering, decorating and photography were second to none. Getting married at the Spinnaker Tower is a no brainer, not only because of the venue but the outstanding service from James and his team which make the day stress free”*
