SUJET N°2

Durée de l'épreuve : 40 minutes

- Préparation	- 20 minutes
- Présentation de la situation	- 10 minutes
- Entretien sur les activités et travaux effectués dans la discipline non linguistique	- 10 minutes

SITUATION :

You have successfully graduated and you have decided to look for a job in Ireland.

You moved to Dublin and got a job as a technician in a mobile phone sales and repair shop : *IT-Fix*.

A customer has just bought a new phone “the Samsung Galaxy 21” and wants to transfer all his personal data from his old device to the new one.

Source : [IT Fix - Google Maps](https://it-fix.ie/)
<https://it-fix.ie/>

Present the main features of the Samsung Galaxy S21 and explain to your customer how to transfer personal data from an old mobile phone to a new one using *Samsung Smart Switch*.

** To graduate: get a diploma*

DOCUMENTS :

- N° 1 : SAMSUNG GALAXY S21
- N° 2 : SAMSUNG SMART SWITCH

Samsung Smart Switch

▣ What can be transferred?

- Contacts, calendar(Device content only), messages, photos, music (DRM free content only, Not supported for iCloud), videos (DRM free content only), call logs, memos, alarms, Wi-Fi, wallpapers, documents, app data (Galaxy devices only), home layouts (Galaxy devices only)
- You can send app data and home layouts by upgrading your Galaxy device to M OS (Galaxy S6 or higher).

▣ Which devices are supported?

- Galaxy: Recent Galaxy mobile devices and tablets (From Galaxy S2)
- * Note: For Galaxy S2, old OS (GB/ICS) version can cause incompatibility. If your S2 does not work properly, please try after firmware update.

Step 1: Connect.

Use a wireless connection or USB cable to link your device to wherever your old data is stored. The USB-OTG adapter is provided in-box with the Galaxy S10+, S10, S10e, Note10+, Note10+ 5G, Z Flip.

Step 2: Select.

In the app, choose which content, preferences and data you want to keep. Leave behind what you don't.

Step 3: Transfer.

Start the transfer and let Smart Switch do the work for you. Your Galaxy will be ready to go in no time.
