product details

Product Information

- Assembly required
- Door pair size (W)2134 x (H)1981mm to fit opening (W)2271 x (H)2052mm
- Fixings sold separately
- Guaranteed against manufacturing defects
- Ready to paint

Features and Benefits

Double side hung doors increase ease of access to any building which would often have an up haul panel door. The ability to open one side at a time or both means you can save time no matter how large an access space you need.

- Side hung timber garage doors
- These garage doors are supplied unfinished
- Frames available separately
- Made from responsibly sourced, Forest Friendly timber
- Door hinges and handles not included
