

Groupes de compétences Anglais. **Anglais / Mathématiques.**

Part 3: Role play; NBA Manager.

Put yourself in the shoes of NBA managers.

You have to recruit 3 players in the following lists for your team.

But you will have to respect 2 conditions :

- You have a limited budget : **\$ 25,000,000.**
- You have to choose **1 Guard, 1 Foward and 1 Center.**

Your choices have to be made regarding to thes 3 factors: **Points** , **Shooting pourcentage** and **Size** .

Recrutement:

Guard:.....

Foward:.....

Center:.....

Méthode/Raisonnement:
