Atelier: Mathematics in English

Part 4: A player's performance during a season

We found a way to evaluate a player's performance during a game;
Now let's work on how to evaluate a player's performance during a whole season!

In this 4th Part, you will have to do research on thr internet .

Let's take a look www.espn.com could be a smart option .....)

1.   Choose an NBA player:

Name:

Nationality:

Team:

Position:

Size:

2. Questions:

How many teams are there in the NBA ? ....

How many games will a team have to play in a season ? ....

How many games hzs "your player" played this season ? ....

What was his best scoring performance this season ? ....
