

## Escape Game N°2

Proposé à des classes de 6<sup>ème</sup> pour revoir le vocabulaire de début d'année. (chiffres, classroom English, matériel, l'heure, les dates et les sentiments.)

En classe entière, en fonctionnement par îlot (4/ 5 élèves), j'ai expliqué aux élèves que d'habitude ils avaient un mot de passe pour rentrer en classe, mais que cette fois ils allaient en avoir besoin d'un pour en sortir comme dans un escape game! J'ai ajouté que pour trouver ce mot de passe ils allaient devoir effectuer 5 missions, chacune des missions donnant une lettre du mot de passe. J'ai affiché classroomscreen au tableau pour qu'ils puissent garder un œil sur le temps. Pour que le mot de passe ne fuite pas entre les deux classes j'ai changé le mot de passe.

J'ai crée les missions en partant d'exercices existants que j'ai modifié pour obtenir mes énigmes.
