Comment fonctionne wooclap ?

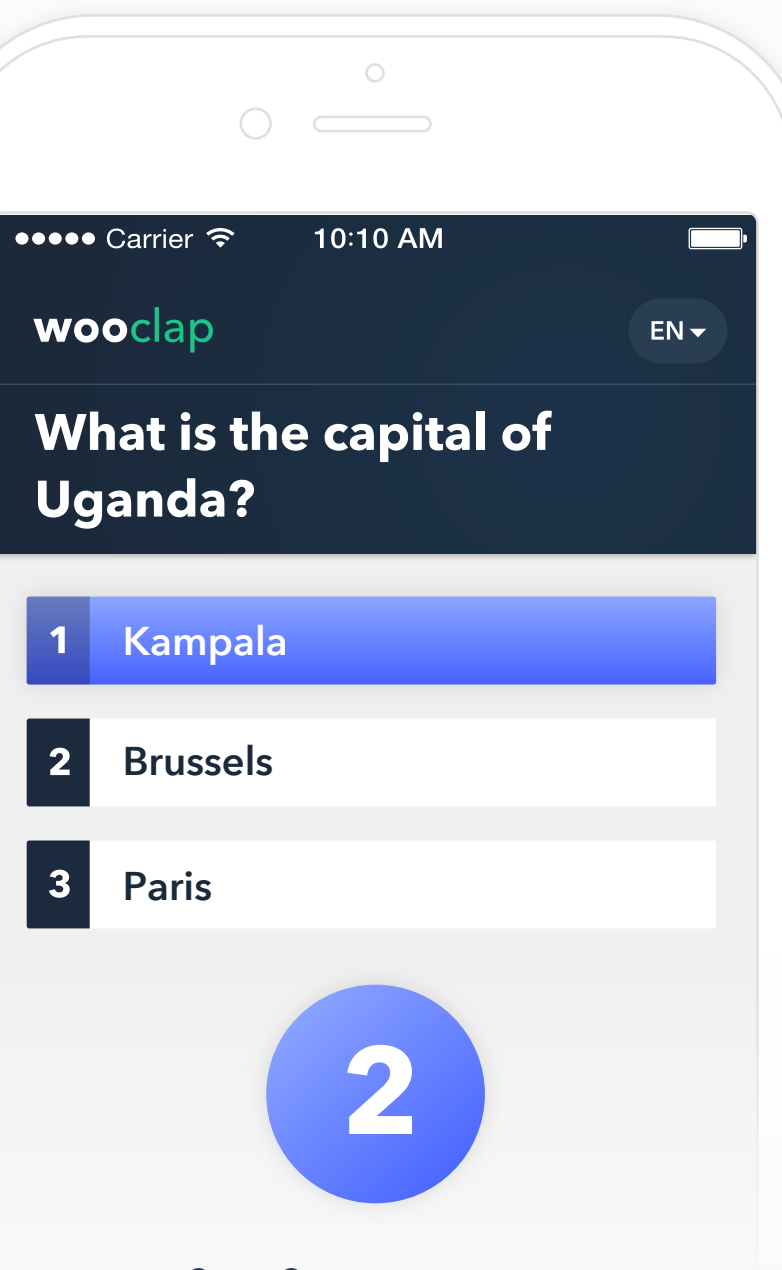

What is the capital of Uganda?

1

Créez vos questions

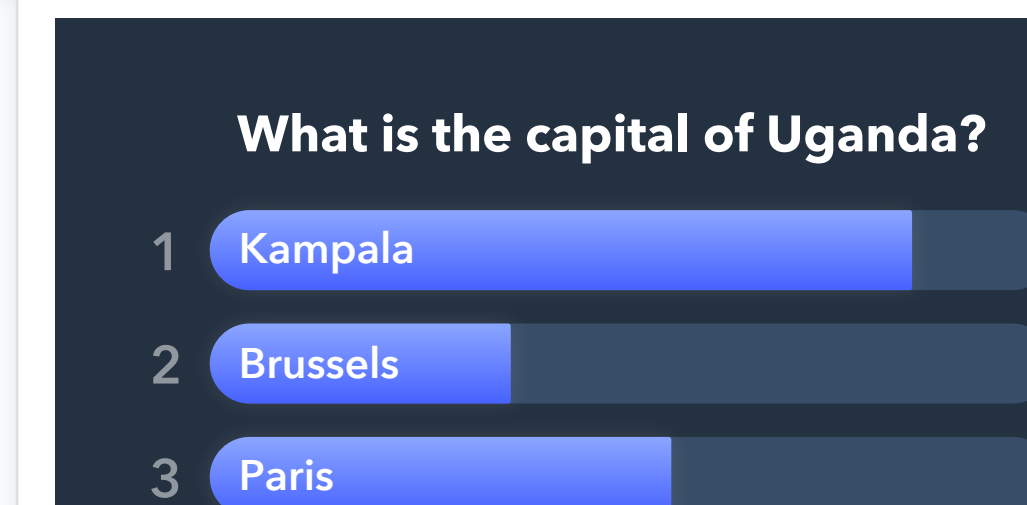

Inscrivez-vous via le web et créez les questions que vous souhaitez poser. Vous pouvez commencer à partir de zéro ou utiliser l'un de nos exemples.

2

Les participants votent

Votre audience se rend sur Wooclap, entre le code de votre présentation et vote. Aucune installation ou configuration n'est nécessaire.

3

Affichez les résultats

Les résultats seront affichés en temps réel au fur et à mesure que les participants votent. Bien sûr, vous pouvez également masquer les résultats jusqu'à ce que tout le monde ait fini voté.

Description générale

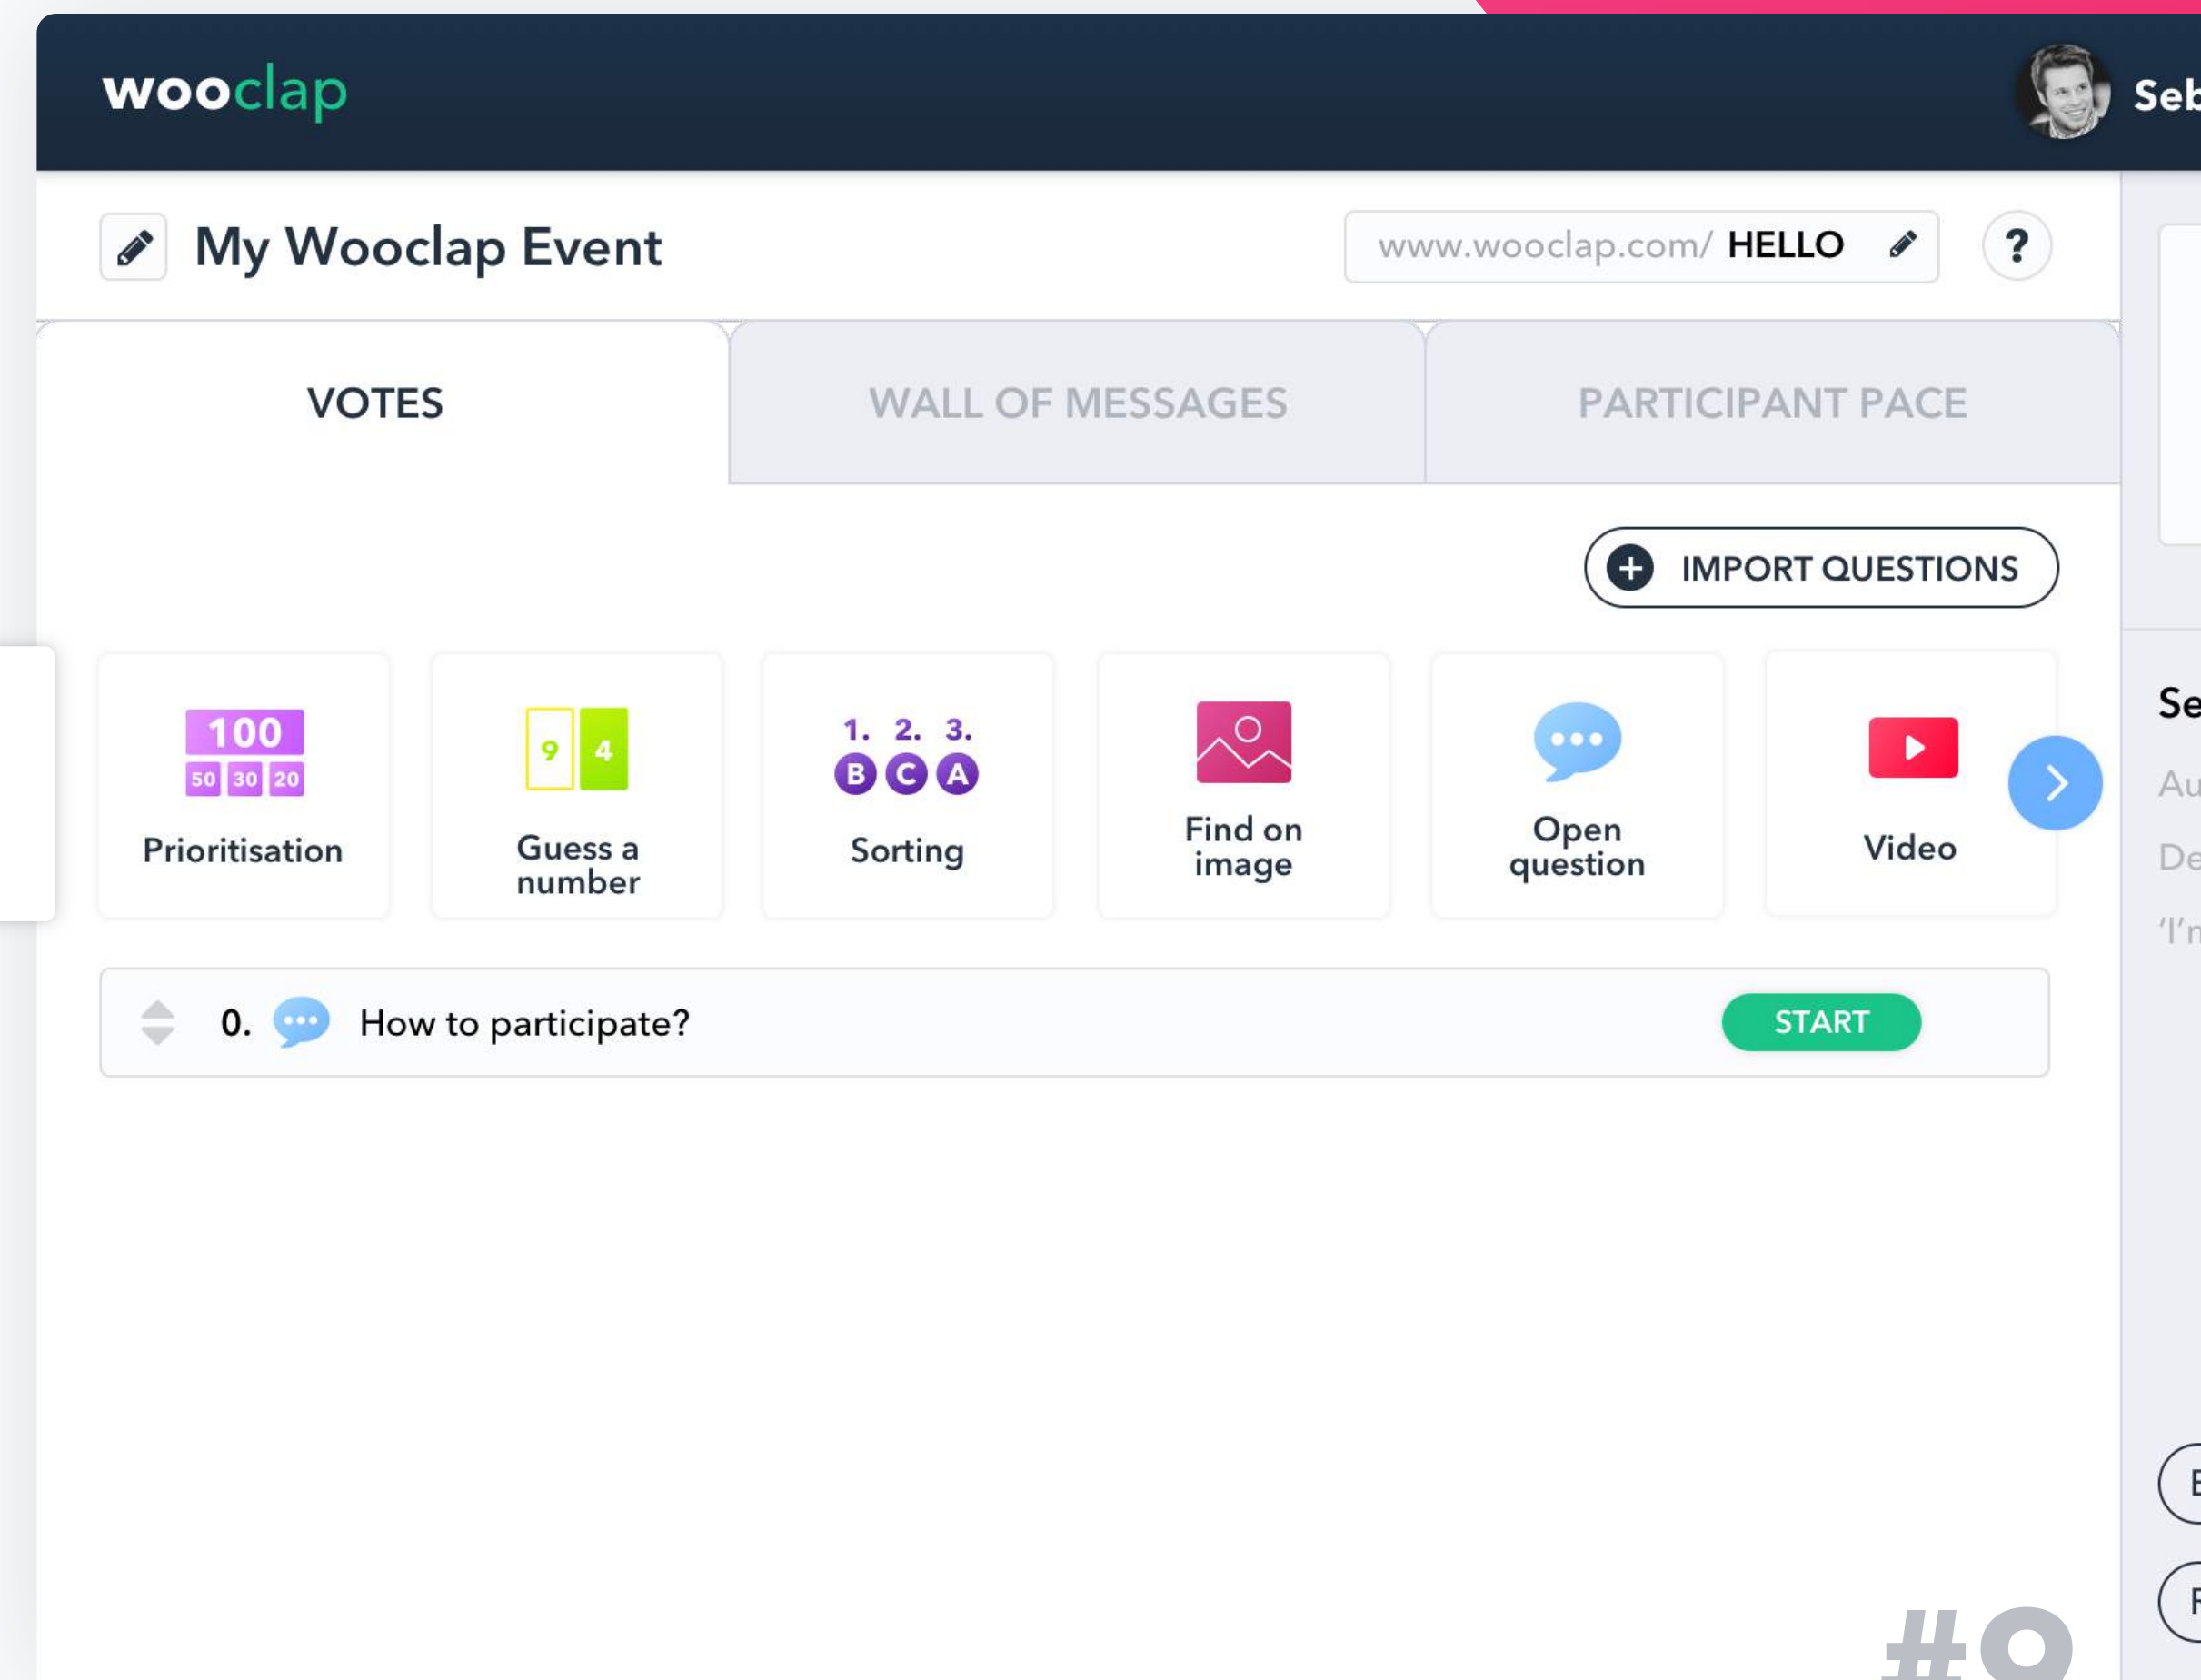

■ 1.1

Votes : interactions en temps réel

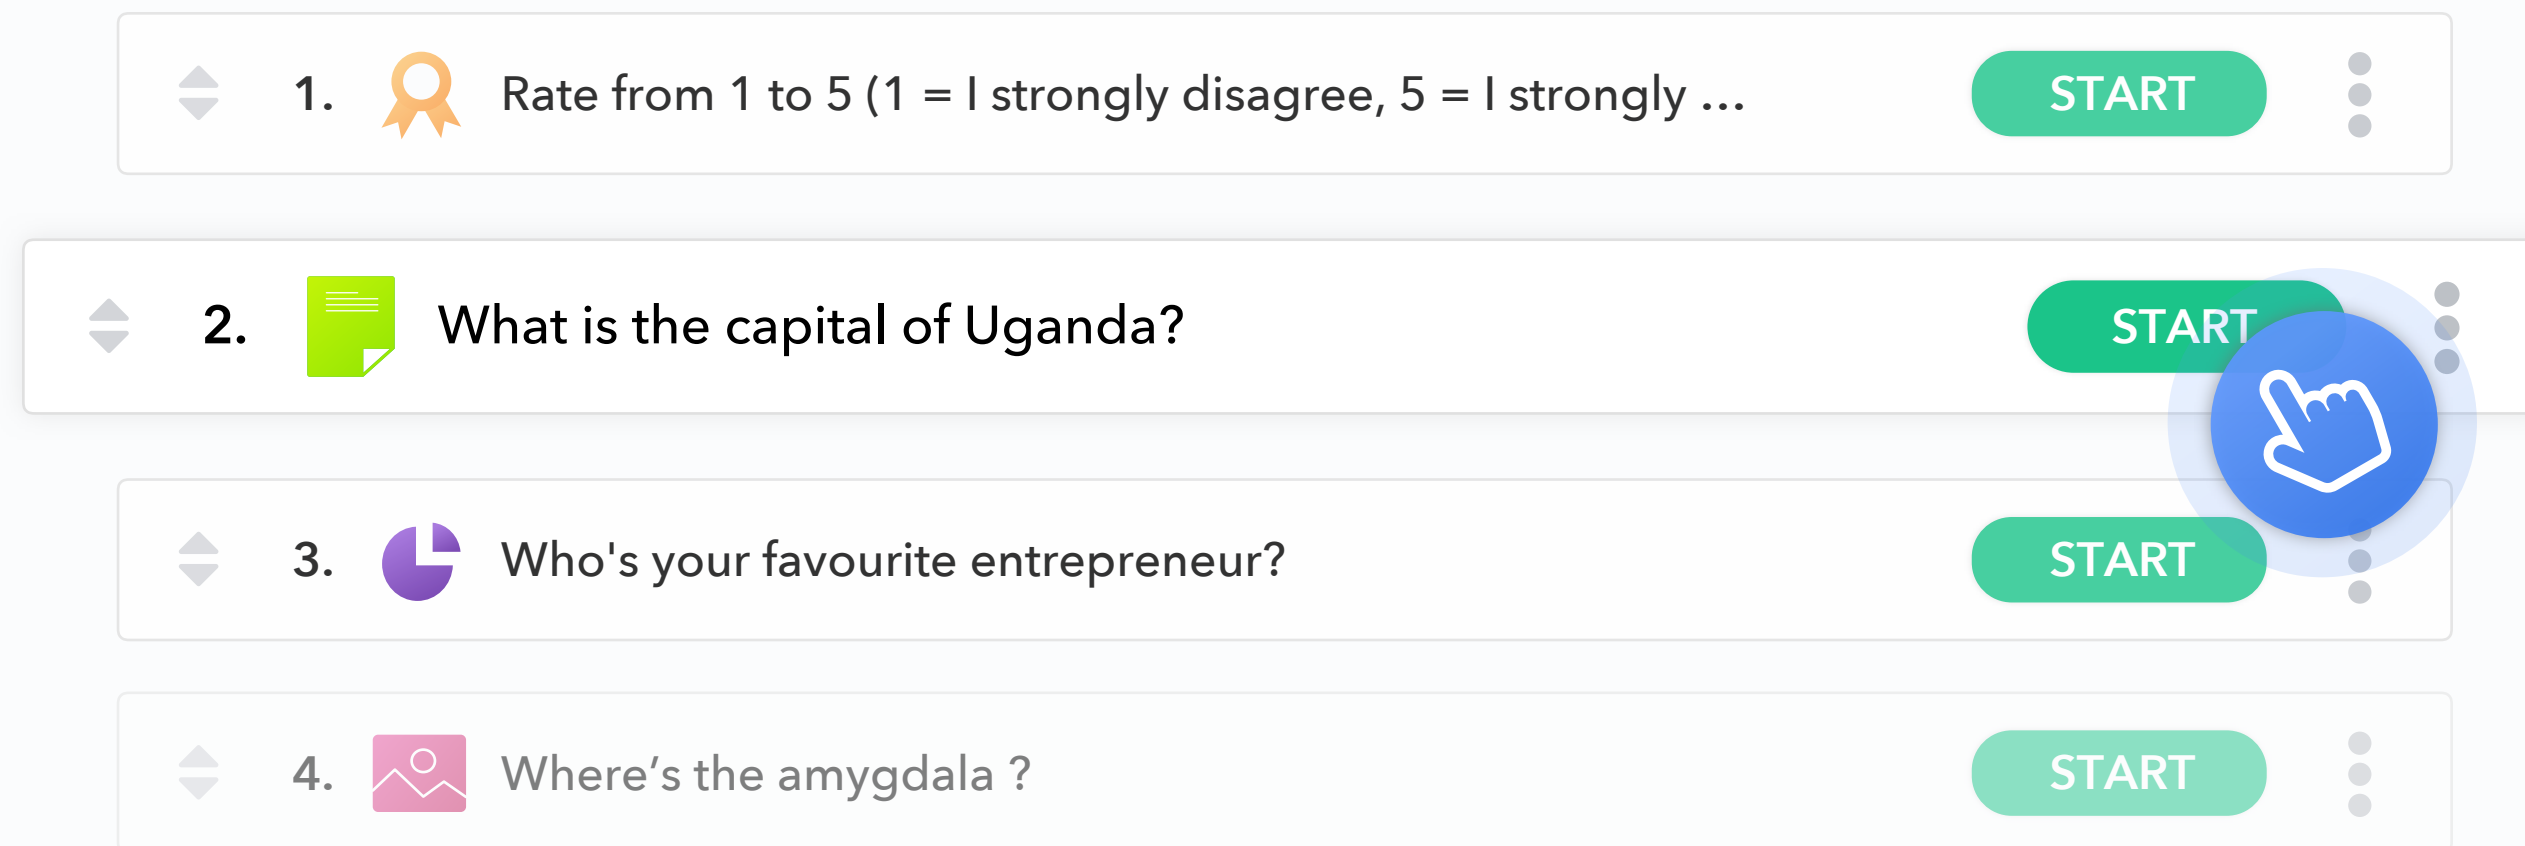

Étape 1

Dans l'onglet des votes, choisissez le type de question que vous souhaitez poser.

Étape 2

Créez votre question, enregistrez-la et cliquez sur **lancer** pour afficher la question à l'écran.

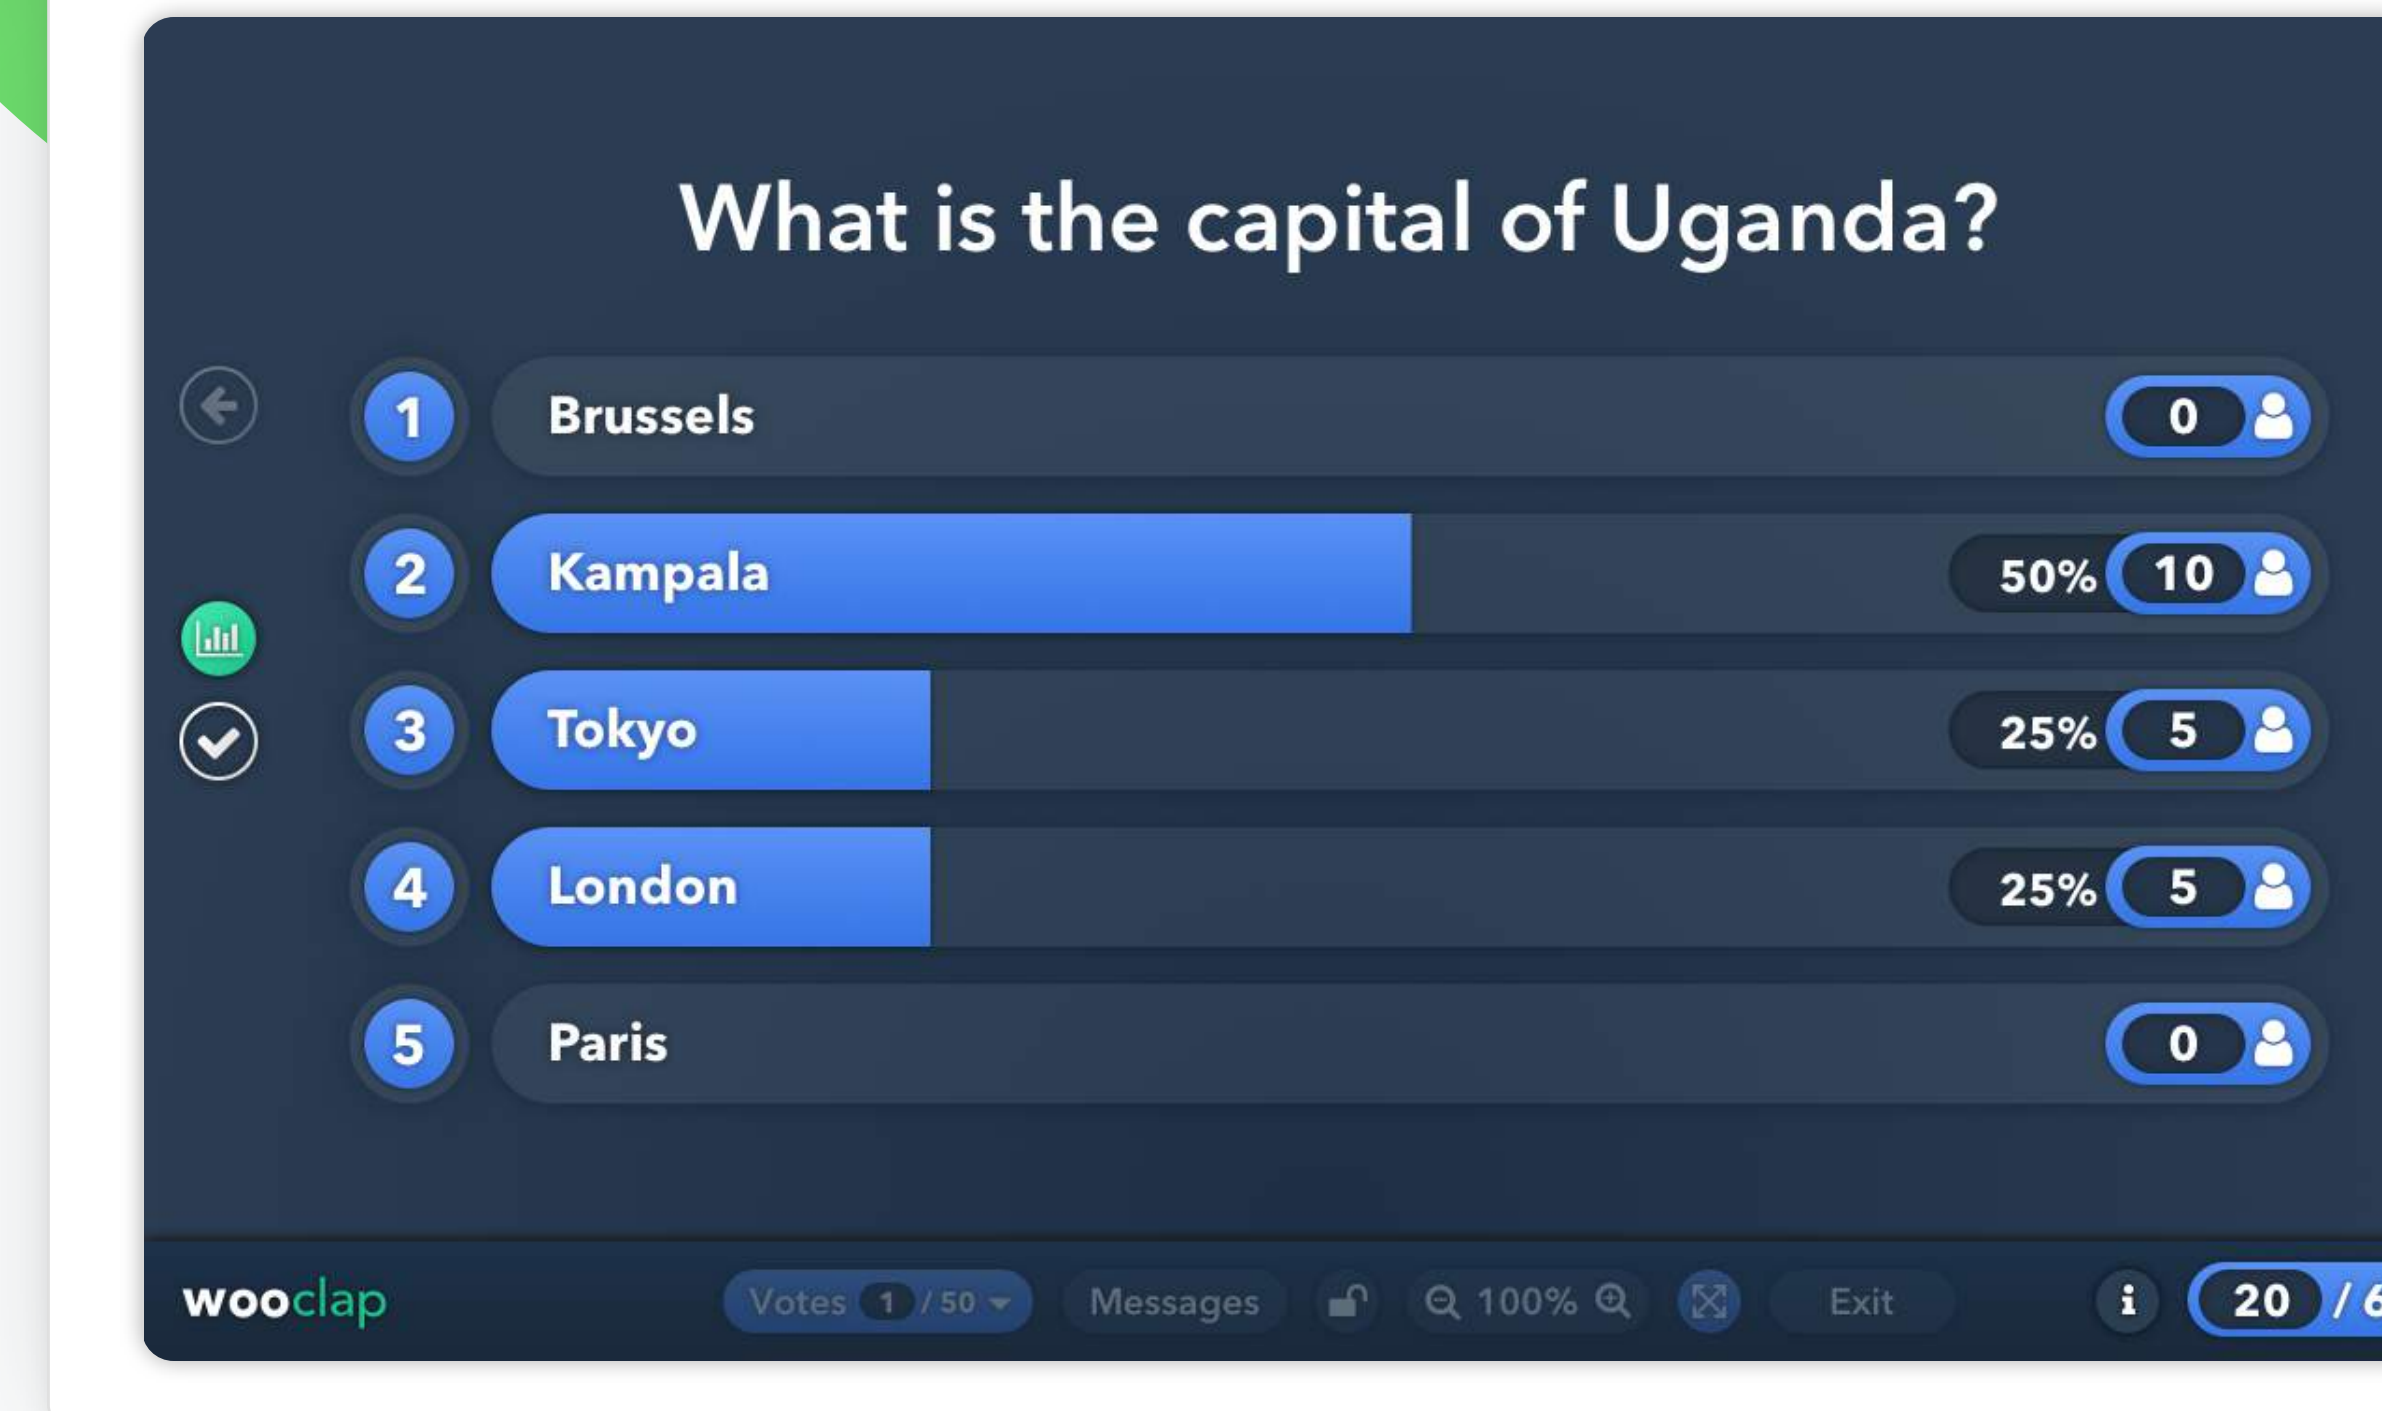

1.  Rate from 1 to 5 (1 = I strongly disagree, 5 = I strongly ... **START**

2.  What is the capital of Uganda? **START**

3.  Who's your favourite entrepreneur? **START**

4.  Where's the amygdala ? **START**

What is the capital of Uganda?

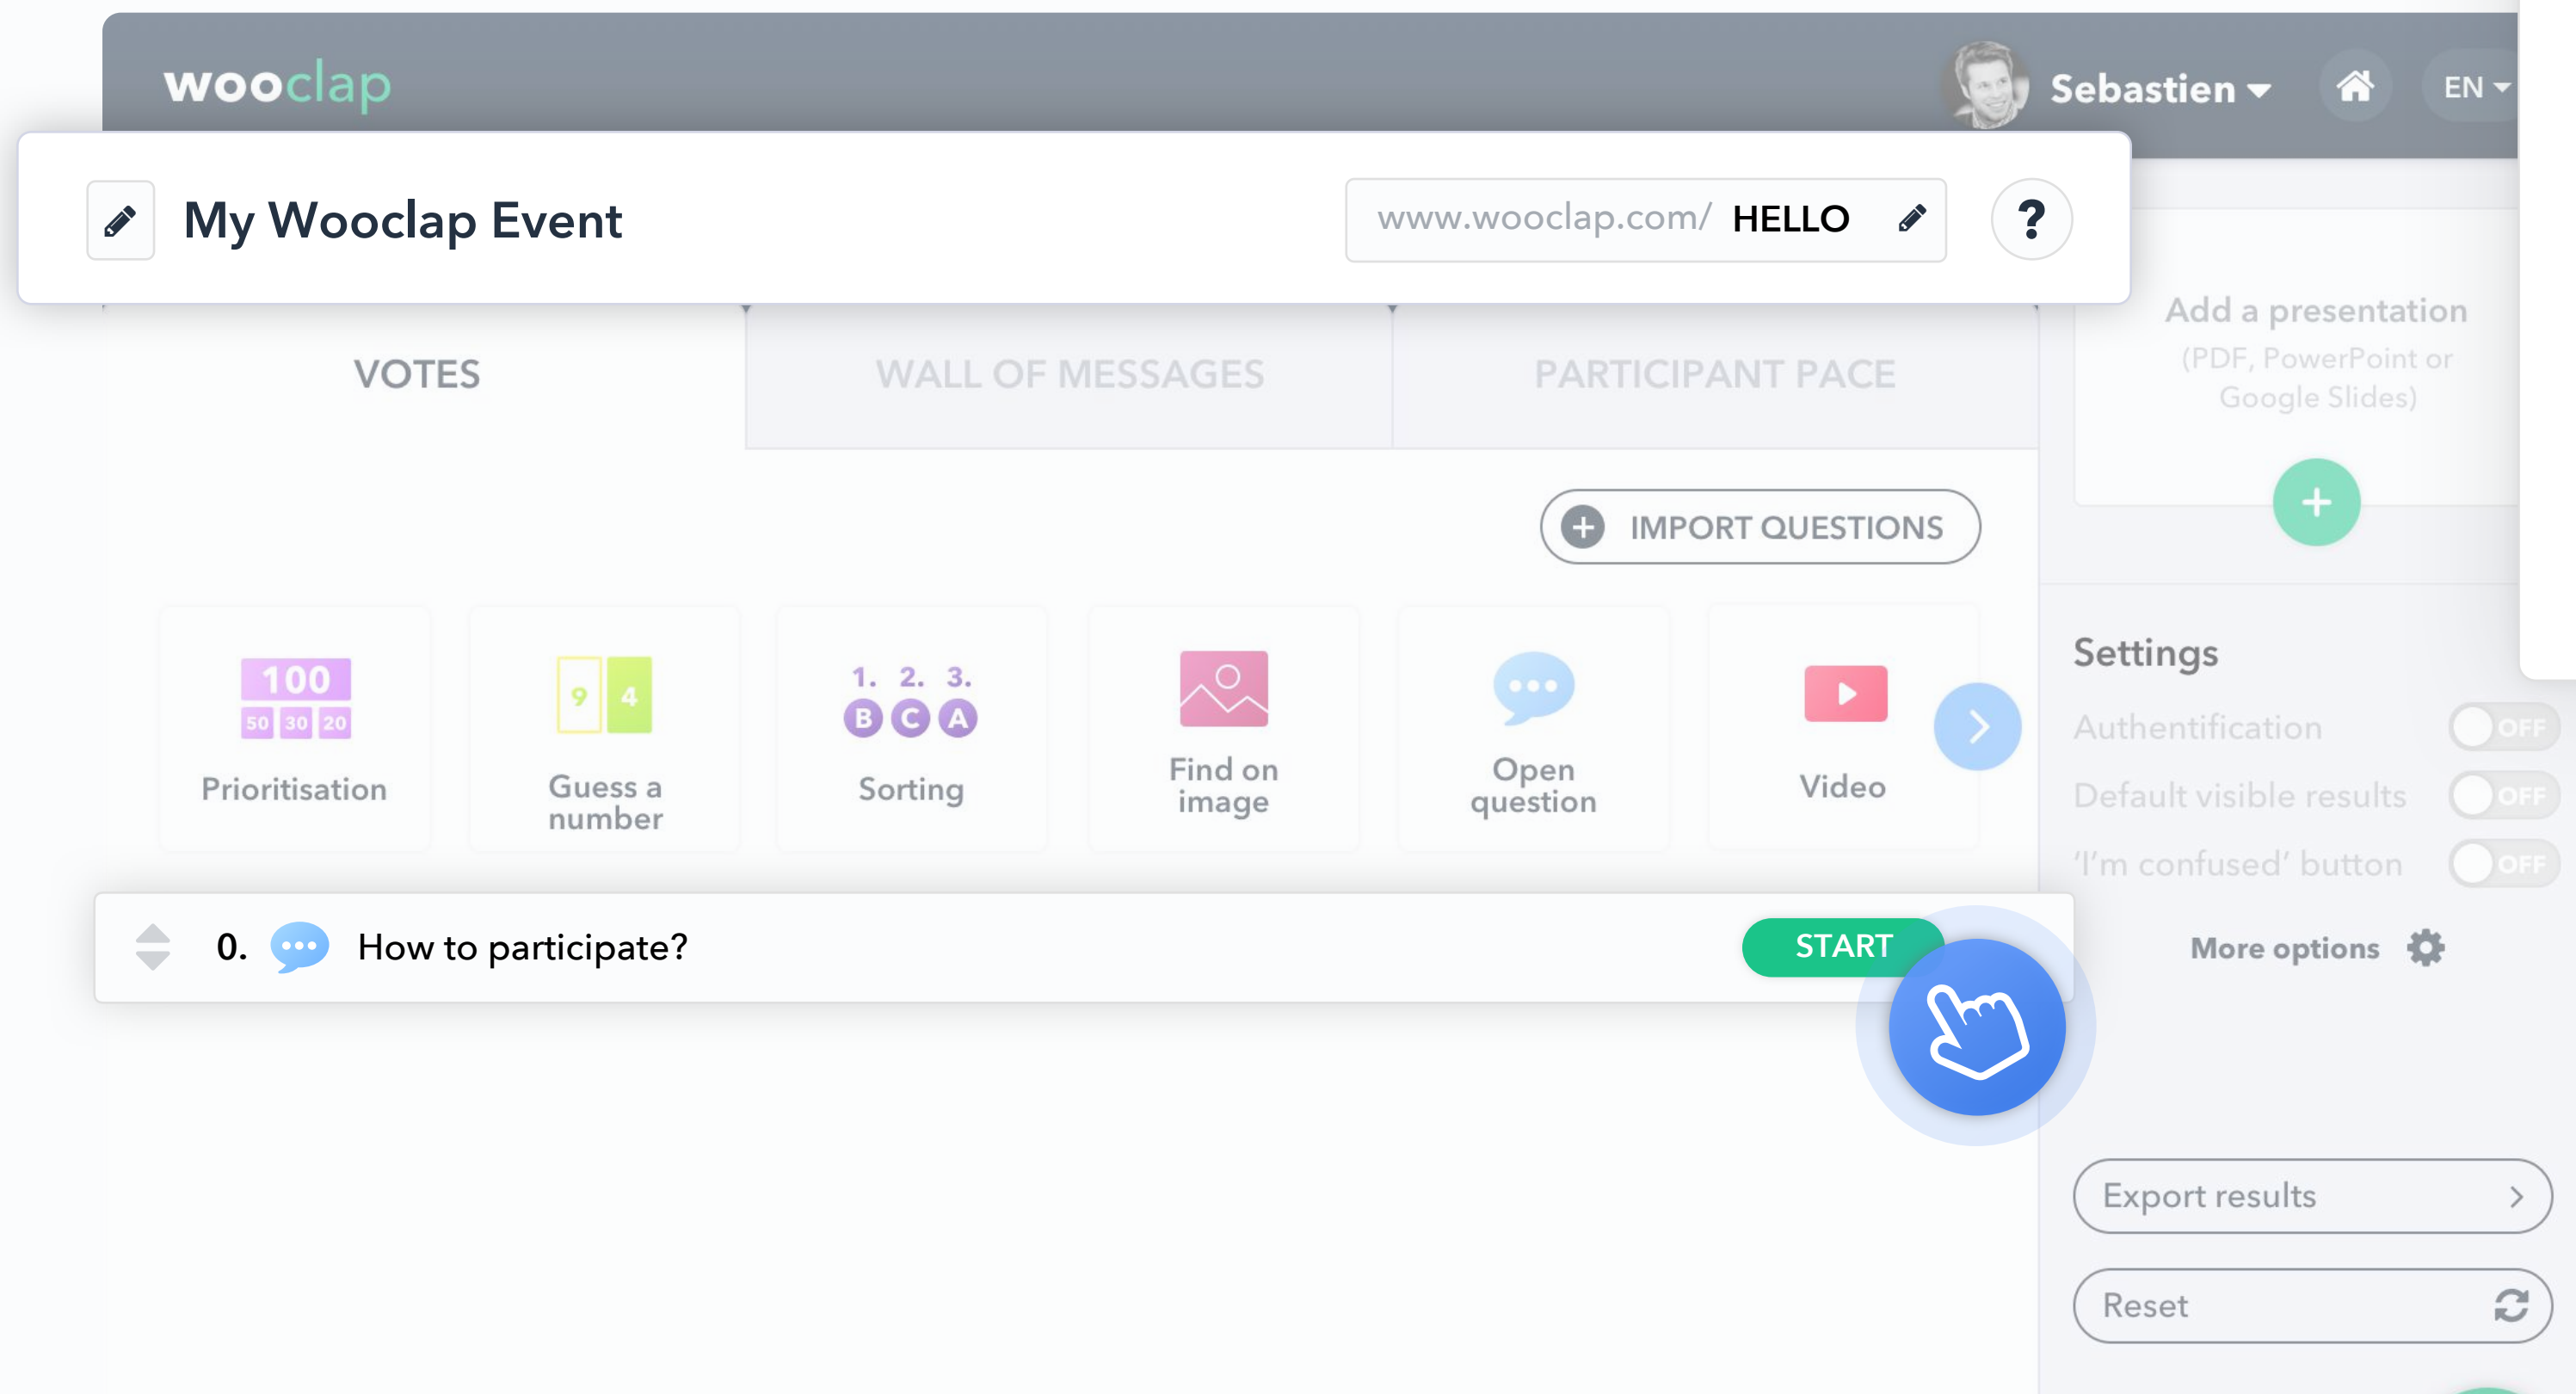

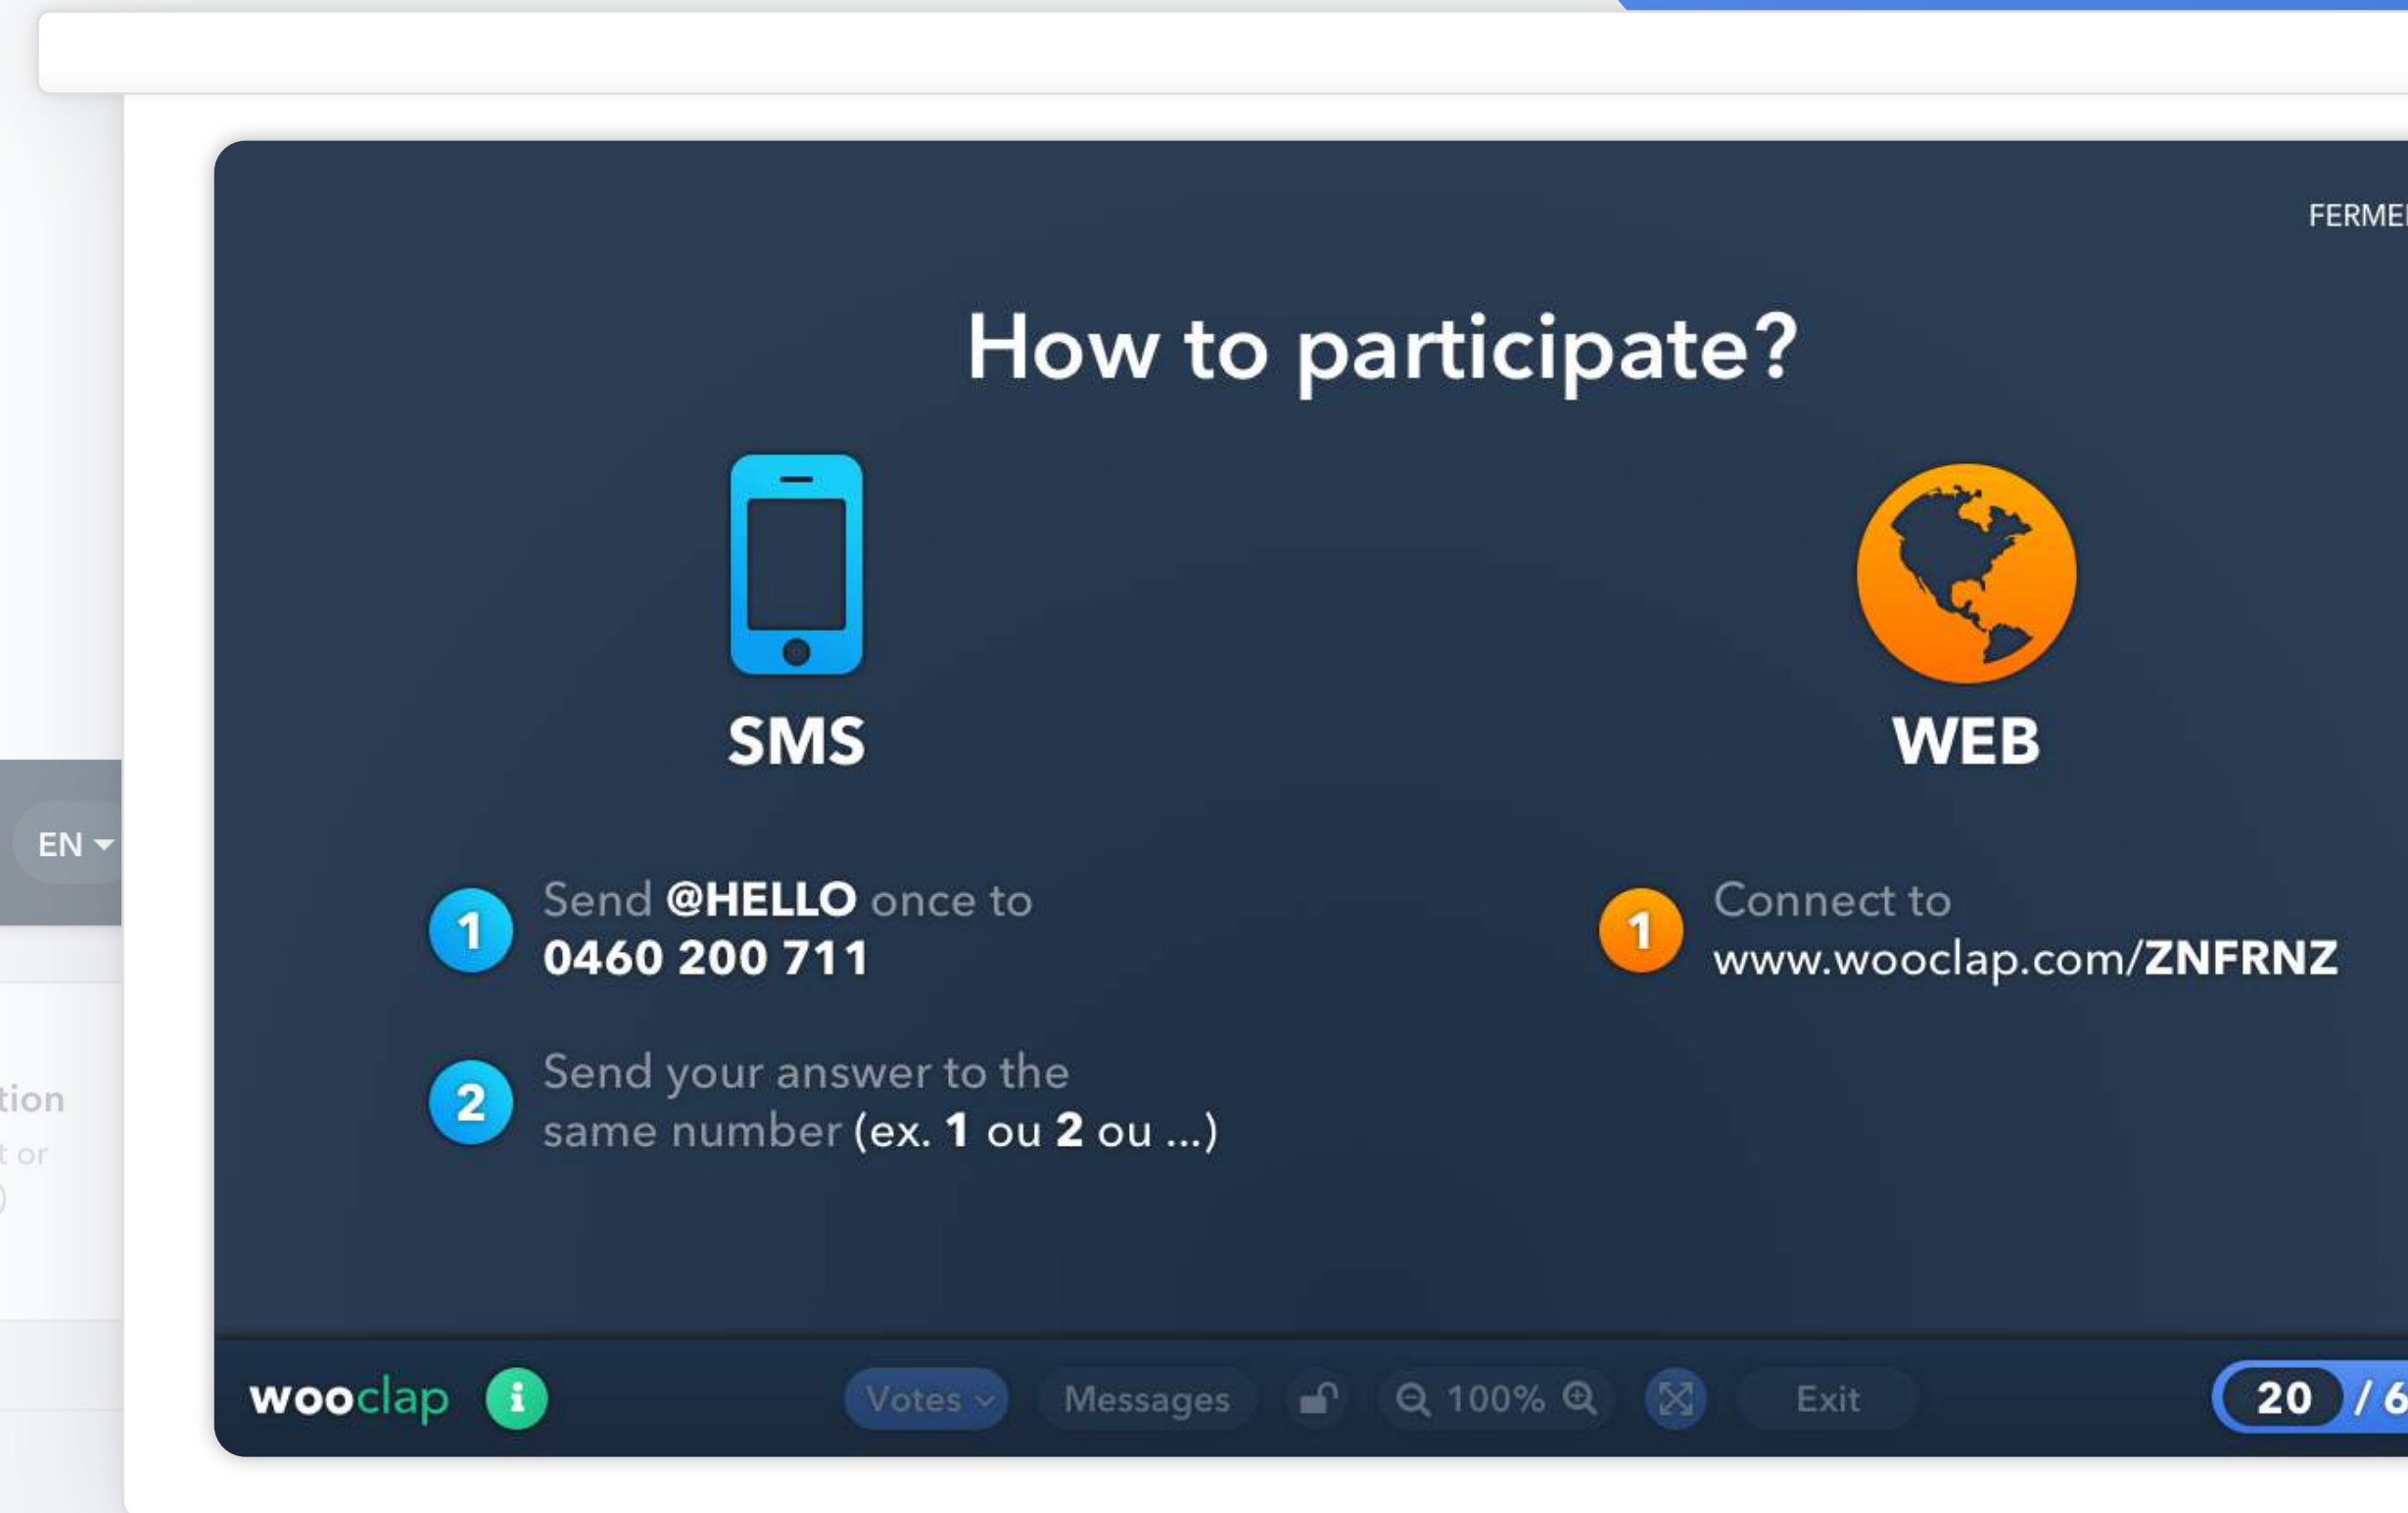

Rank	Option	Percentage	Votes
1	Brussels	0%	0
2	Kampala	50%	10
3	Tokyo	25%	5
4	London	25%	5
5	Paris	0%	0

wooclap | Votes 1 / 50 | Messages | 100% | Exit | 20 / 6

Veillez noter que les participants ne pourront répondre qu'à la question que vous affichez. Si vous préférez réaliser une série de questions auxquelles vos participants peuvent répondre à leur propre rythme, utilisez l'onglet «au rythme du participant».

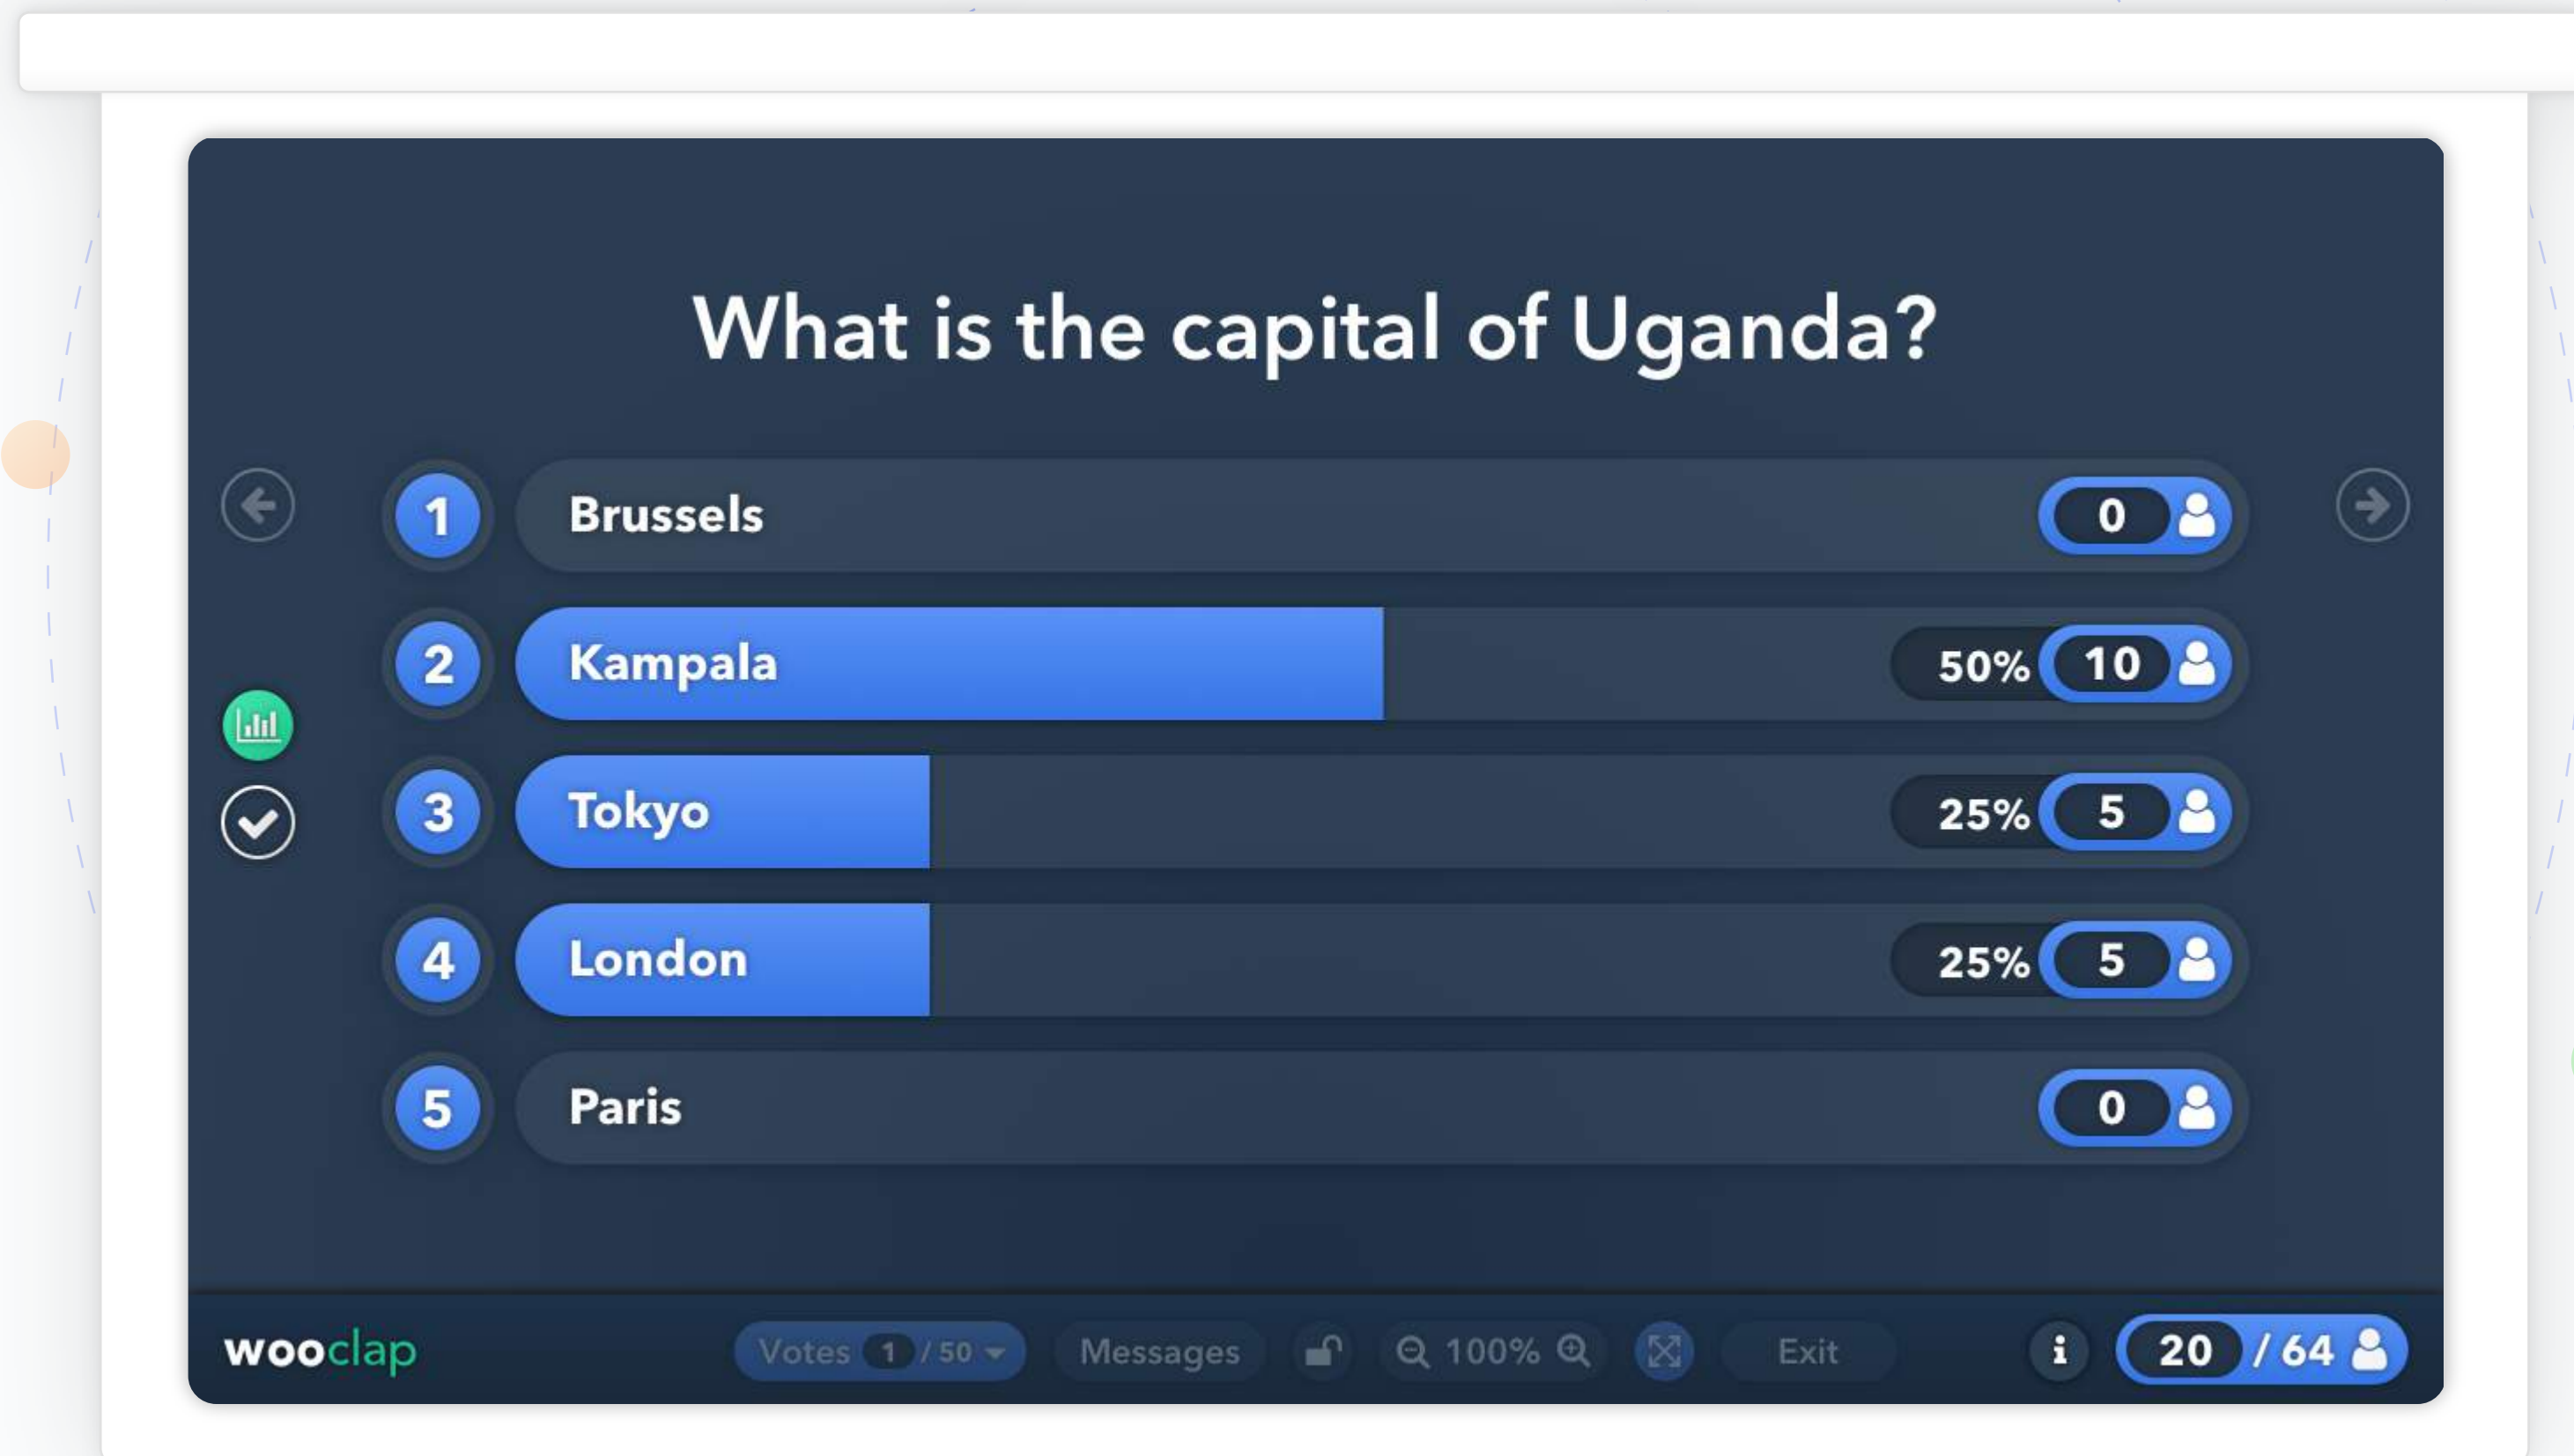

Étape 3

Personnalisez le code de votre événement et invitez votre audience à répondre à la question en se connectant, soit par **SMS (messagerie texte)**, soit via **l'URL affichée à l'écran**. Faites-le en commençant par la question "0. Comment participer ?".

Étape 4

Affichez les résultats sur l'écran en temps réel.

■ 1.2

Mur de messages

Activez le mur ①

Activez le mur de messages pour permettre à votre audience d'envoyer des messages ou de poser des questions.

Affichez le mur ②

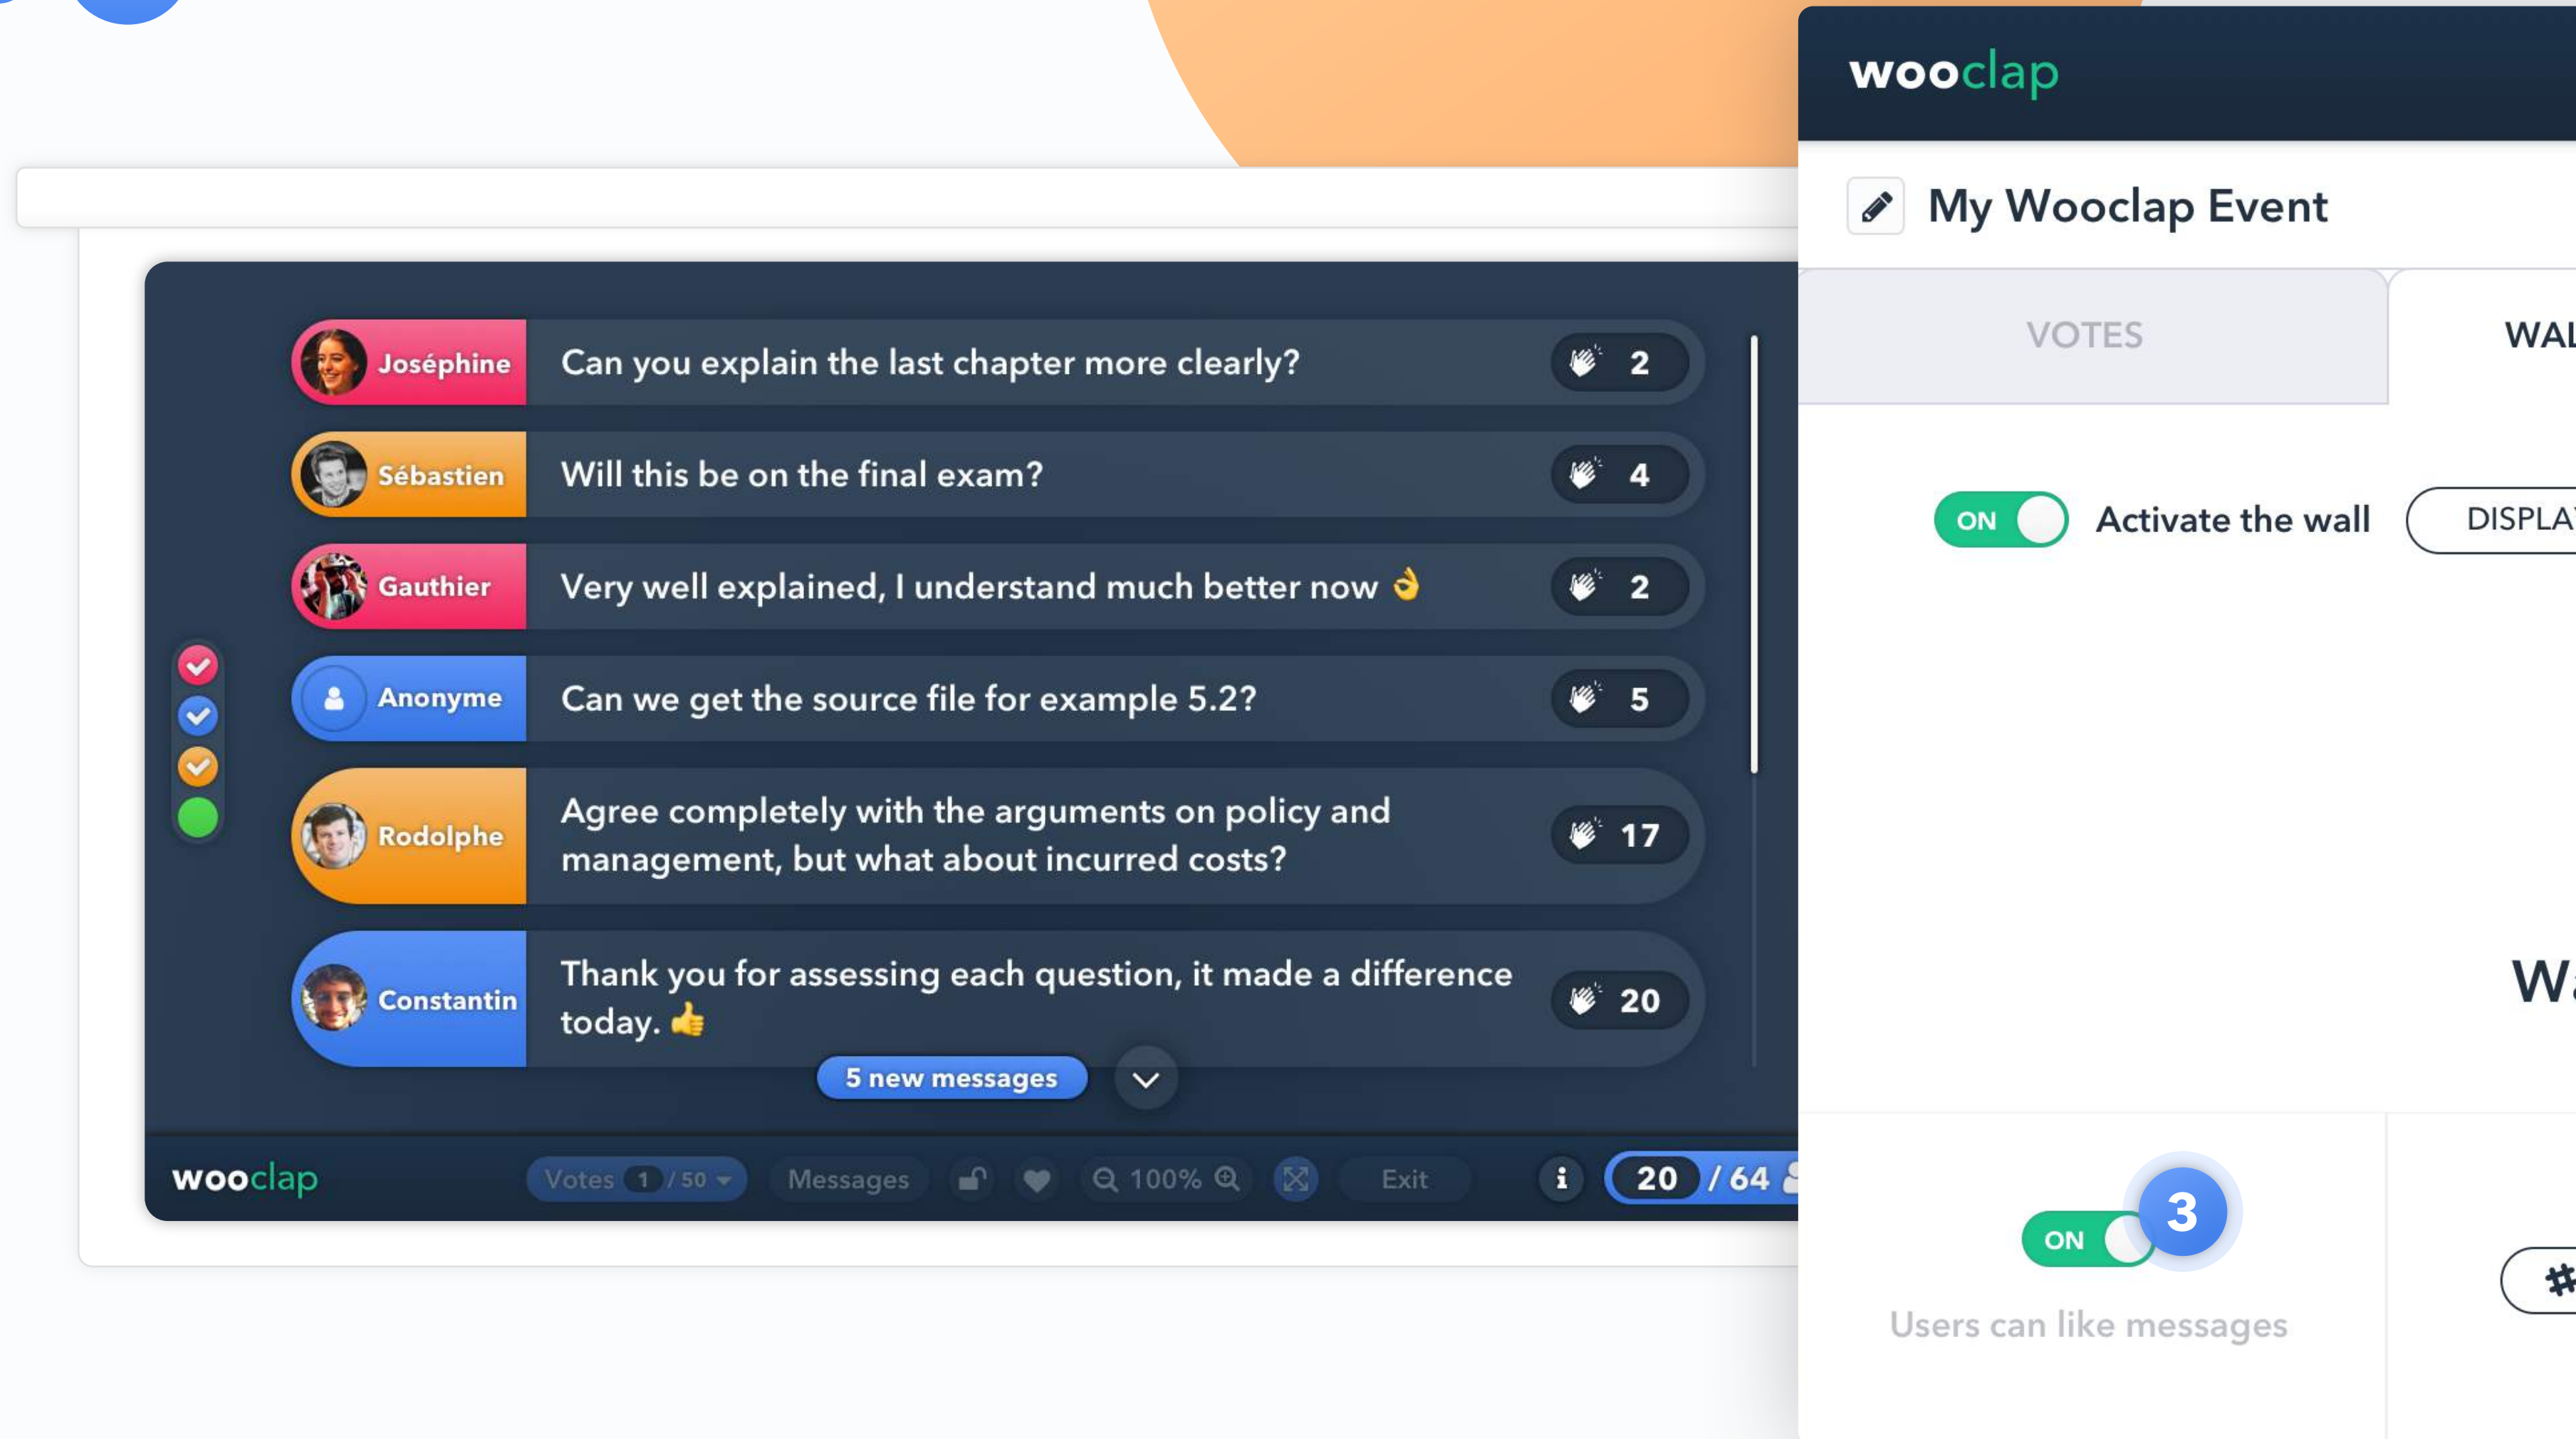

Pour afficher les messages à l'écran, cliquez sur **Afficher**.

The screenshot shows the 'Wooclap' event management interface. At the top, the 'wooclap' logo is on the left, and the user's name 'Sebastien' with a profile picture is on the right. Below the header, the event title 'My Wooclap Event' is displayed, along with the URL 'www.wooclap.com/ HELLO' and a help icon. The interface is divided into three tabs: 'VOTES', 'WALL OF MESSAGES', and 'PARTICIPANT PACE'. The 'WALL OF MESSAGES' tab is active. Under this tab, there is a toggle switch labeled 'ON' and 'Activate the wall' with a blue circle containing the number '1' next to it. To the right of the toggle are three buttons: 'DISPLAY' (with a blue circle containing the number '2' next to it), 'RESET', and 'EXPORT MESSAGES'. Below these buttons, the section 'Wall settings' is visible. It contains a toggle switch labeled 'ON' and 'Users can like messages', a button labeled '# ADD TO SLACK', and a button labeled 'TWITTER'. On the right side of the interface, there is a 'Settings' sidebar with options like 'Add a p...', '(PDF, P...', 'Goog...', 'Authenticati...', 'Default visibl...', 'I'm confused...', 'More o...', 'Export resu...', and 'Reset'.

Autoriser les likes 3

Vous pouvez permettre à vos étudiants de voir et d'aimer les questions de leurs camarades et ce, depuis leurs appareils.

Vous pouvez choisir de les trier par popularité en cliquant sur  dans la barre de navigation.

The screenshot displays the WooClap interface. On the left, a list of questions is shown with user avatars and names, and a like count for each. On the right, a settings panel for 'My WooClap Event' is visible, featuring a toggle for 'Activate the wall' and a toggle for 'Users can like messages' which is currently turned on and has a notification badge with the number 3.

User	Question	Likes
Joséphine	Can you explain the last chapter more clearly?	2
Sébastien	Will this be on the final exam?	4
Gauthier	Very well explained, I understand much better now 🙌	2
Anonyme	Can we get the source file for example 5.2?	5
Rodolphe	Agree completely with the arguments on policy and management, but what about incurred costs?	17
Constantin	Thank you for assessing each question, it made a difference today. 👍	20

WooClap My WooClap Event

■ 1.3

Questionnaire : au rythme du participant

Étape 1

Créez une série de questions auxquelles les étudiants peuvent répondre à leur propre rythme. Par exemple, 15 questions auxquelles vos étudiants devront répondre avant ou après le cours.

Étape 2

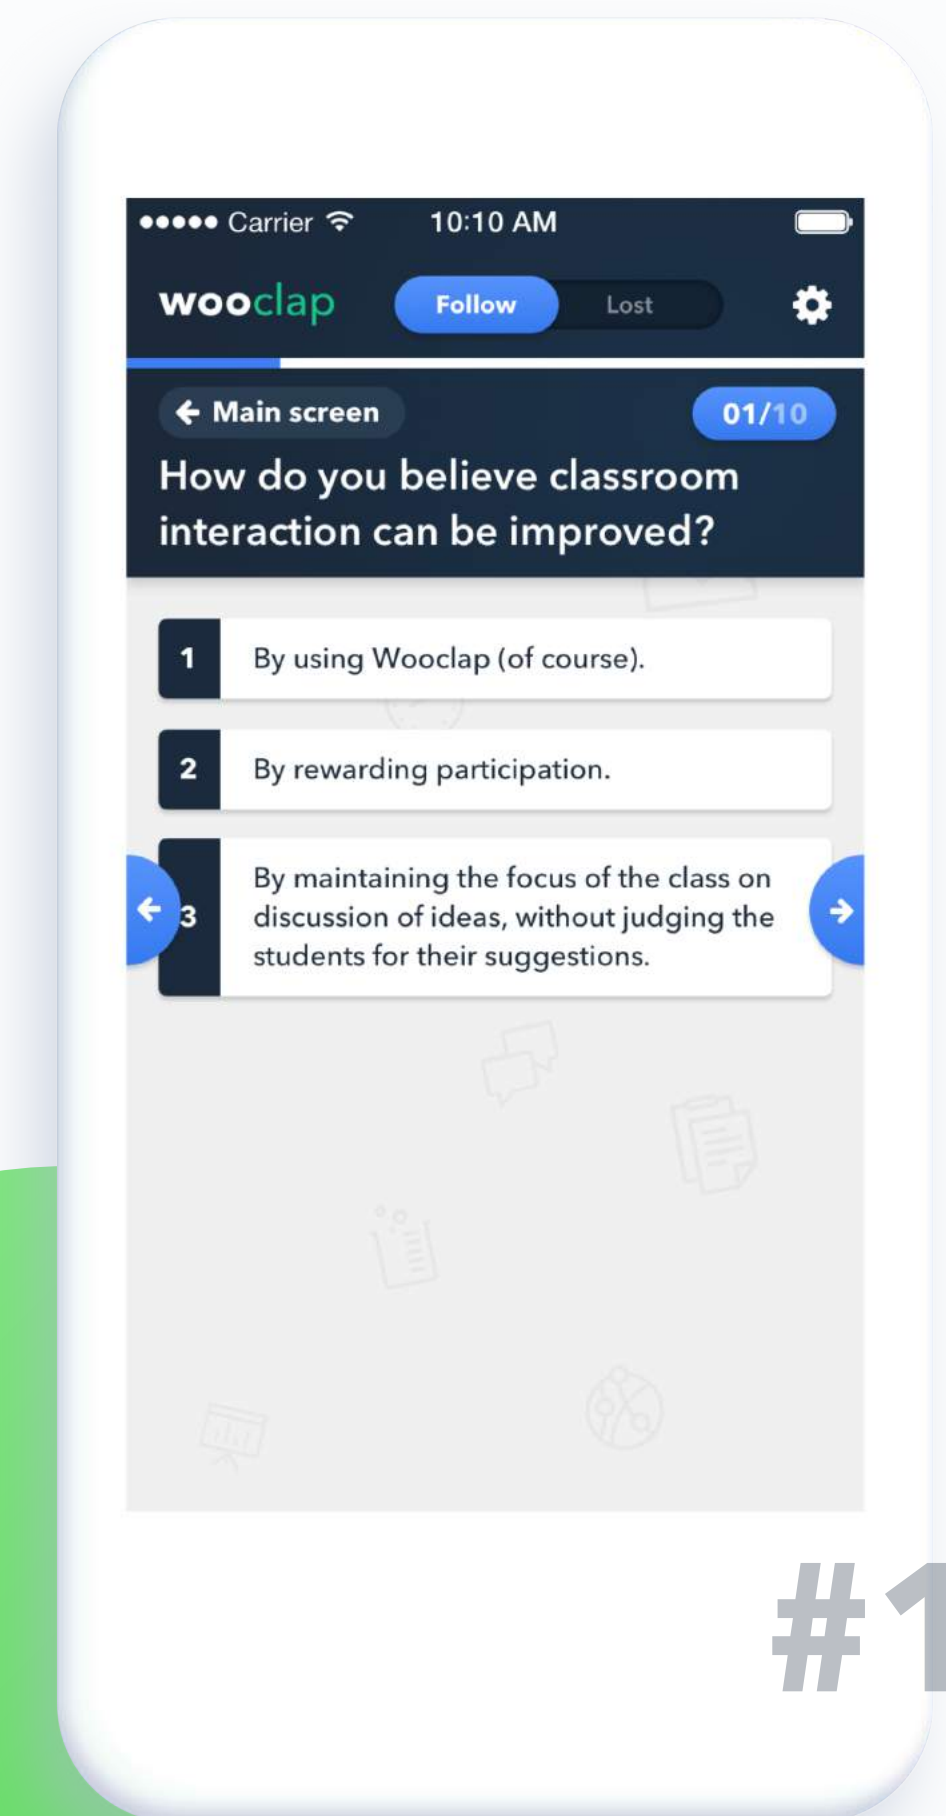

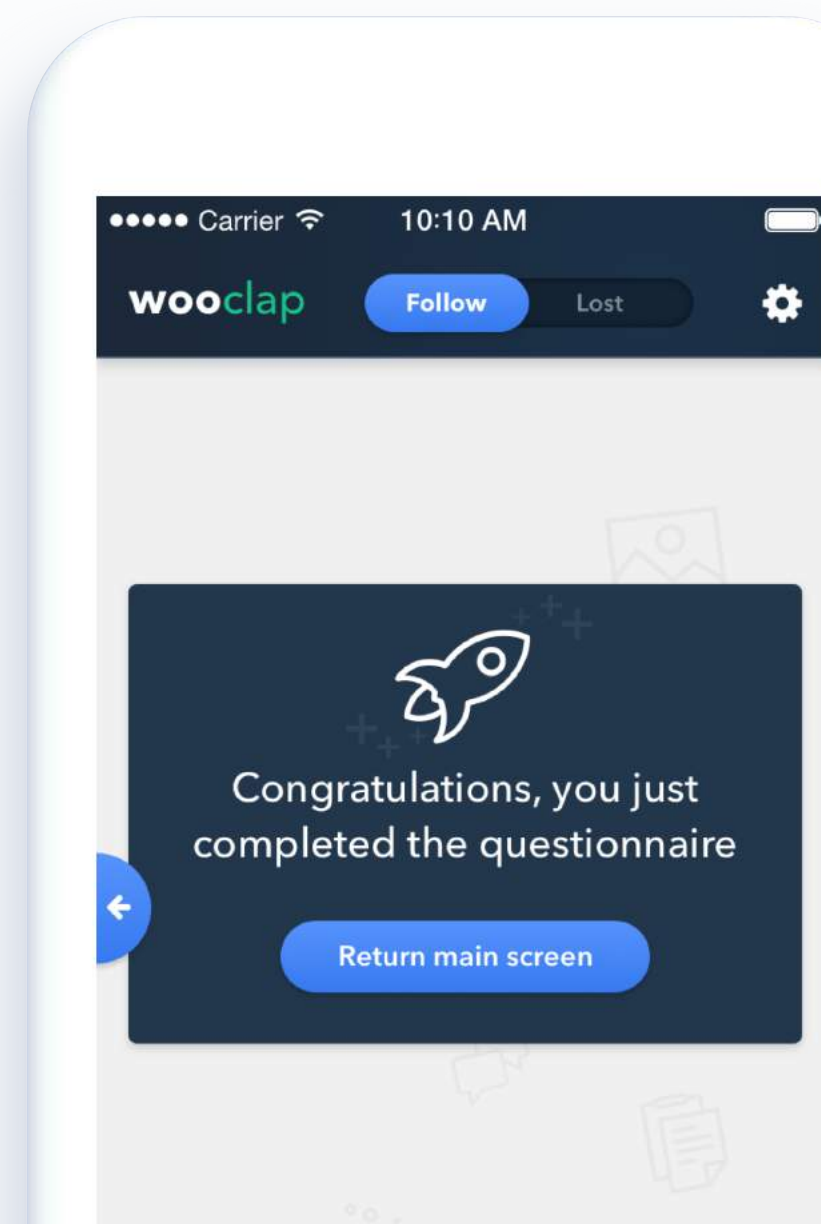

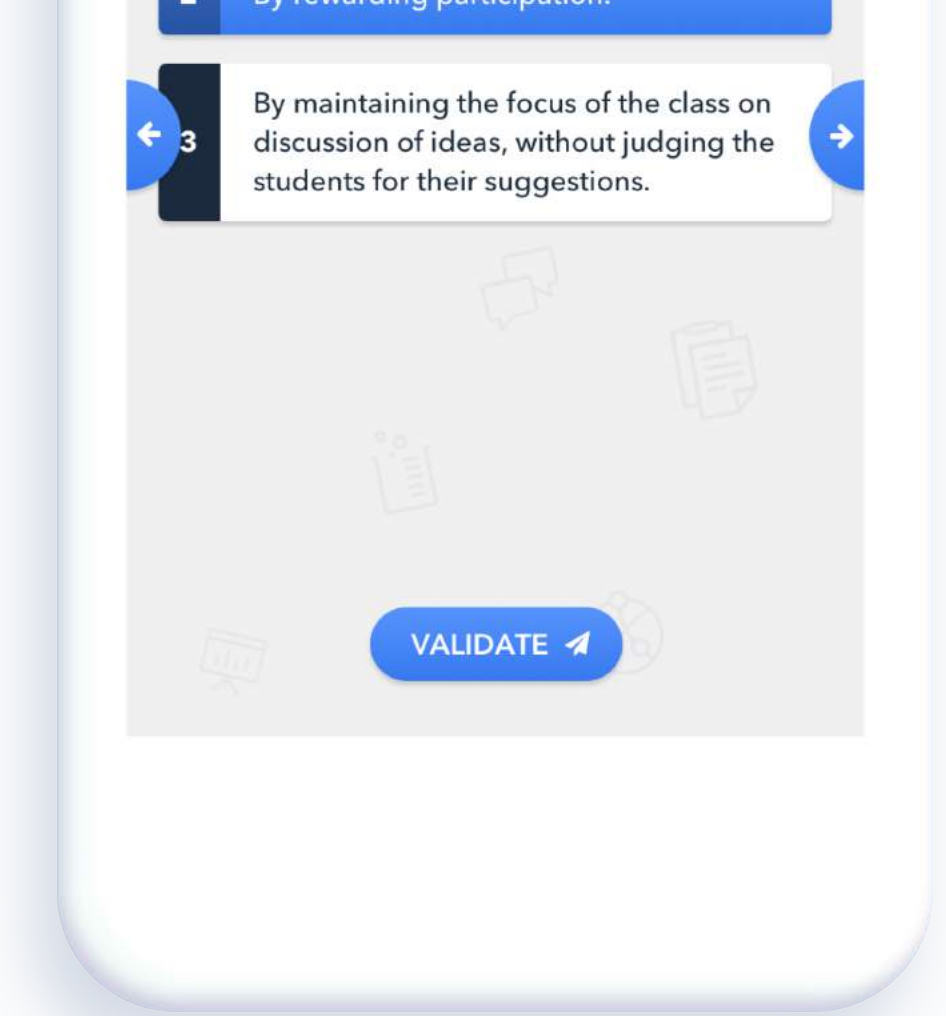

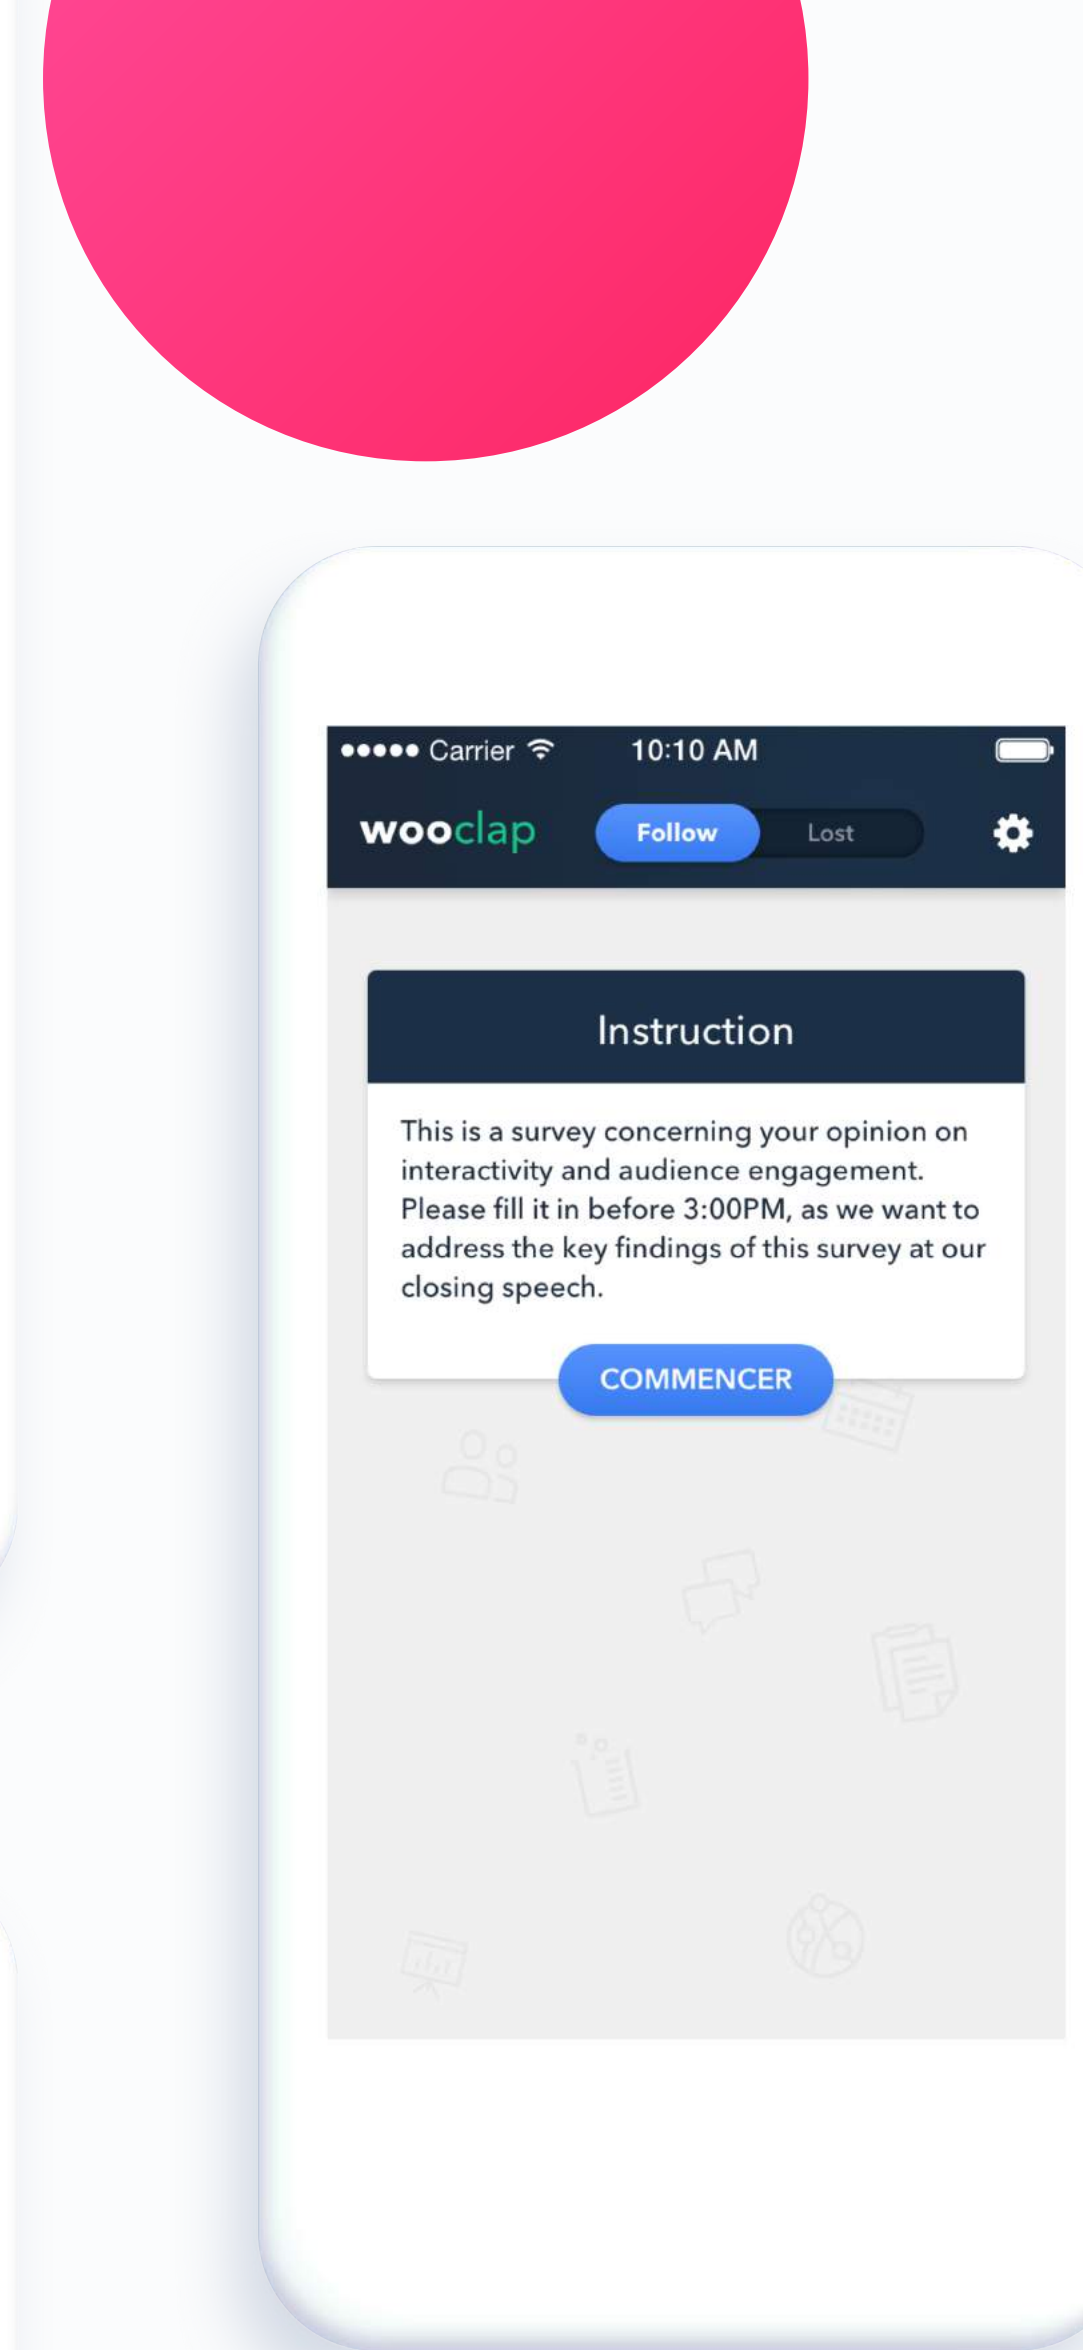

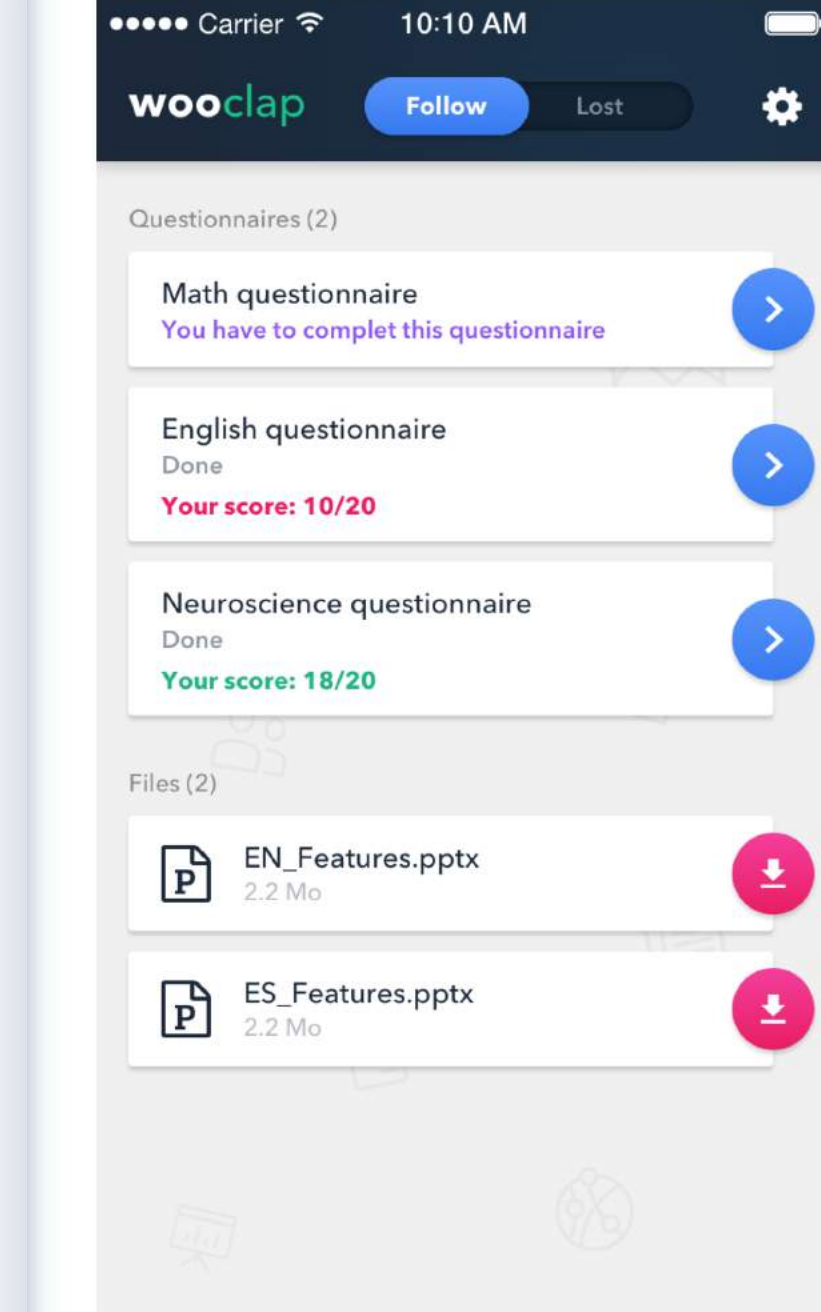

Activez le questionnaire avant, pendant ou après votre cours. Ces questionnaires seront disponibles tant que vous les laisserez en ligne.

The screenshot displays the Wooclap interface for an event titled "My Wooclap Event". The user is logged in as "Sebastien". The interface has three tabs: "VOTES", "WALL OF MESSAGES", and "PARTICIPANT PACE", with the last one being active. There are two main sections: "Questionnaires" and "Files".

- Questionnaires:** Contains one item, "1. Countries questionnaire", which is currently turned "ON". It has buttons for "GRID" and "REPORT". A blue circle with the number "2" highlights the "ON" toggle.
- Files:** Contains two items: "1. Presentation_FR.pdf" and "2. Presentation_EN.pdf". Both have "OFF" toggle switches.

Étape 3

Invitez vos participants à se connecter à l'URL de votre événement.

■ 1.4

Bouton 'Je suis confus'

Étape 1

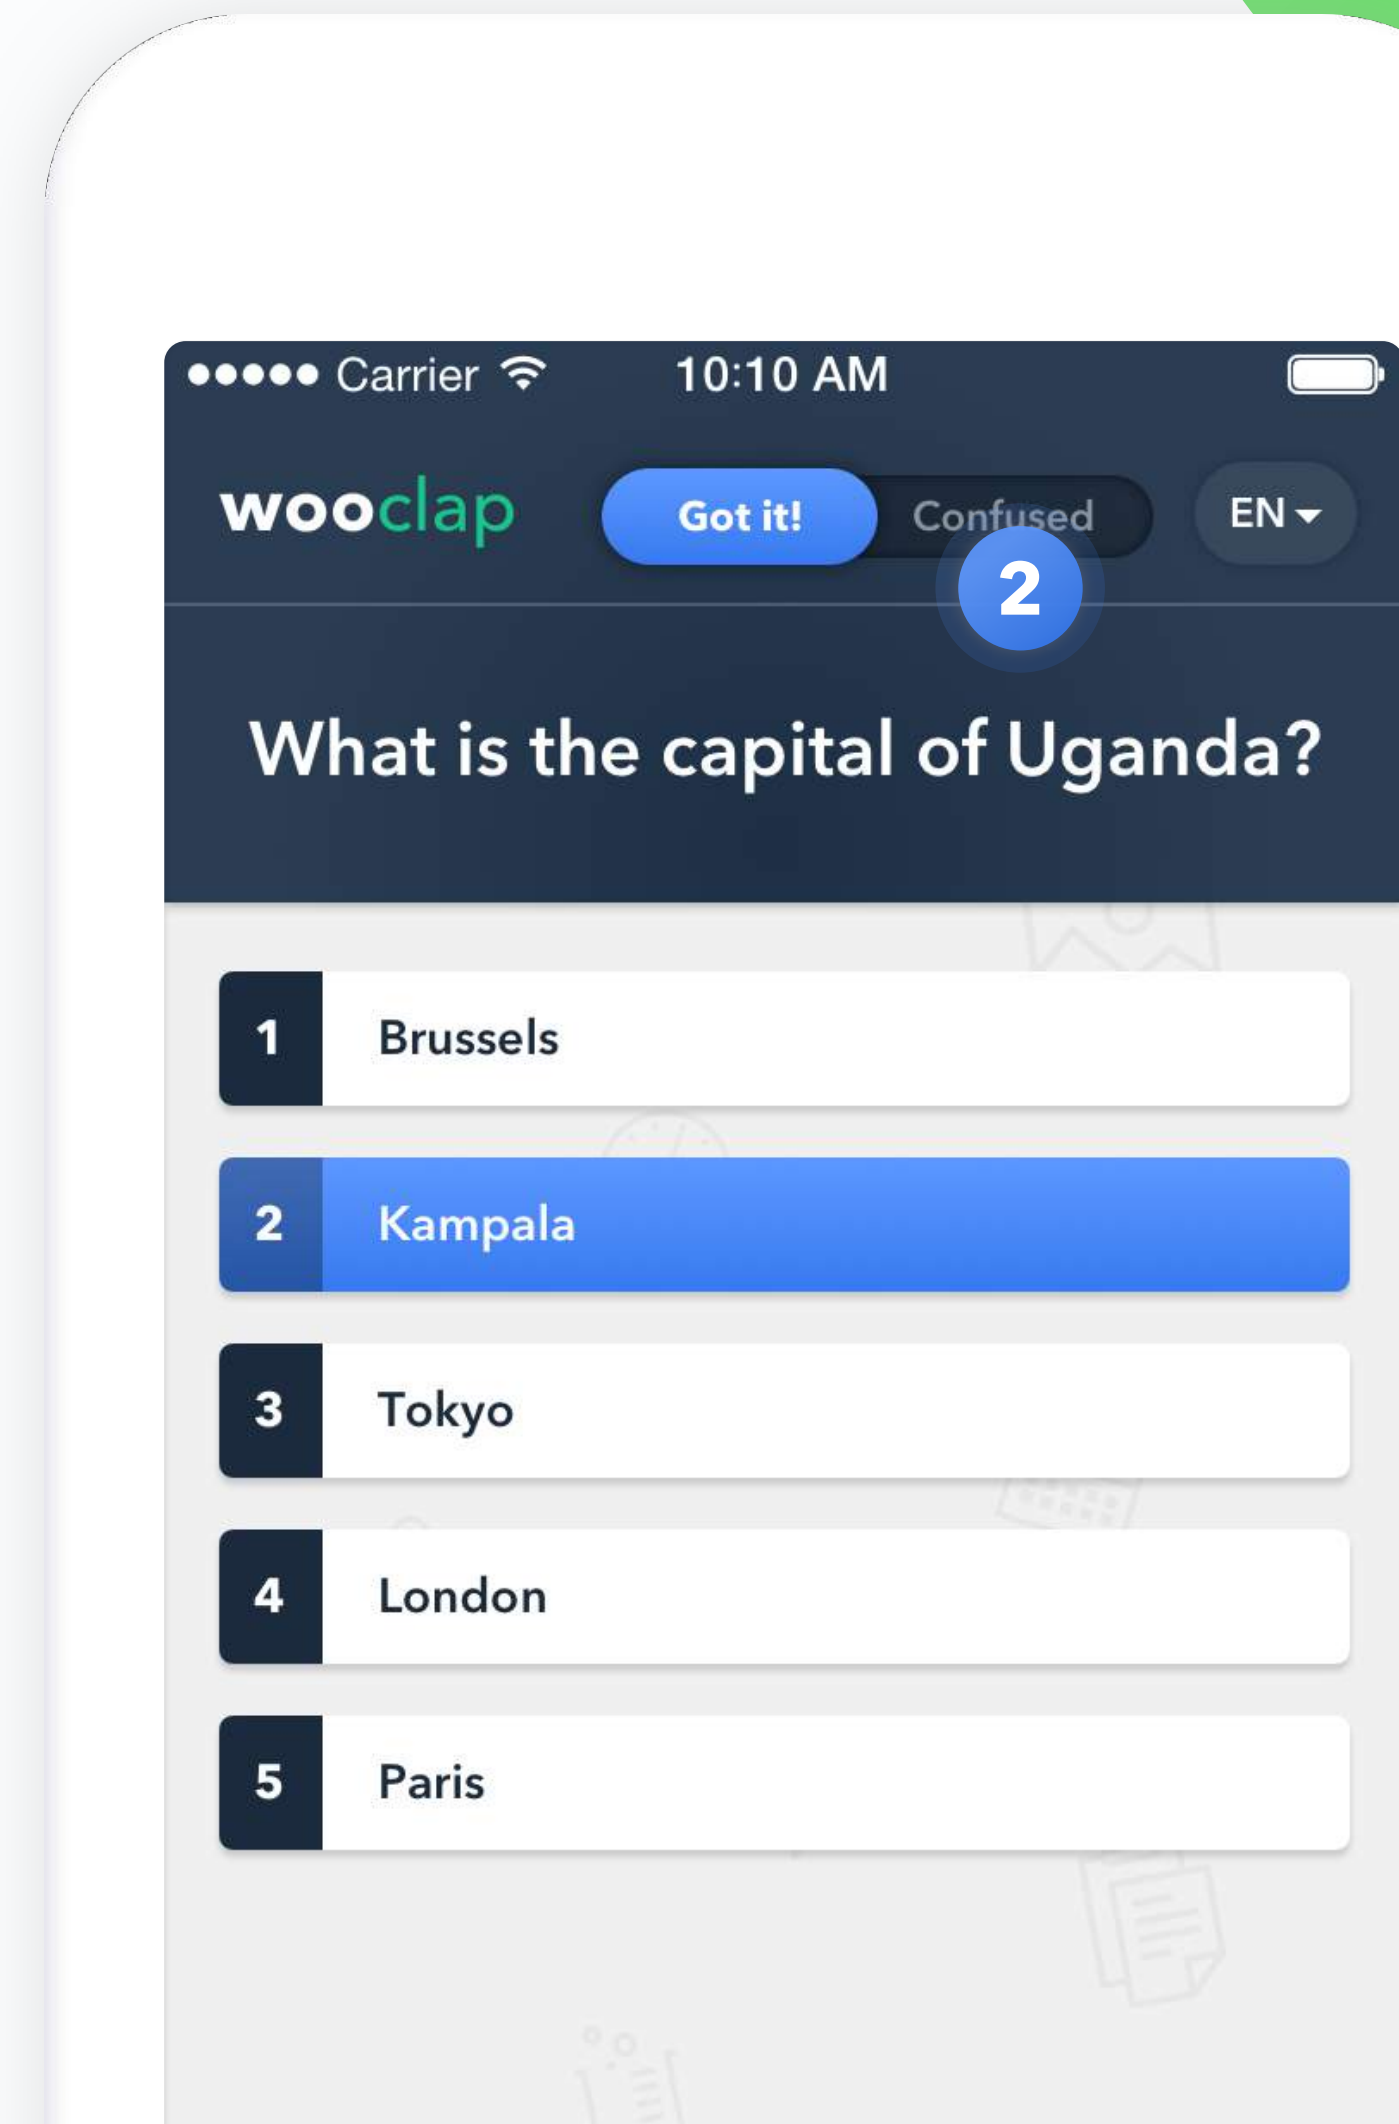

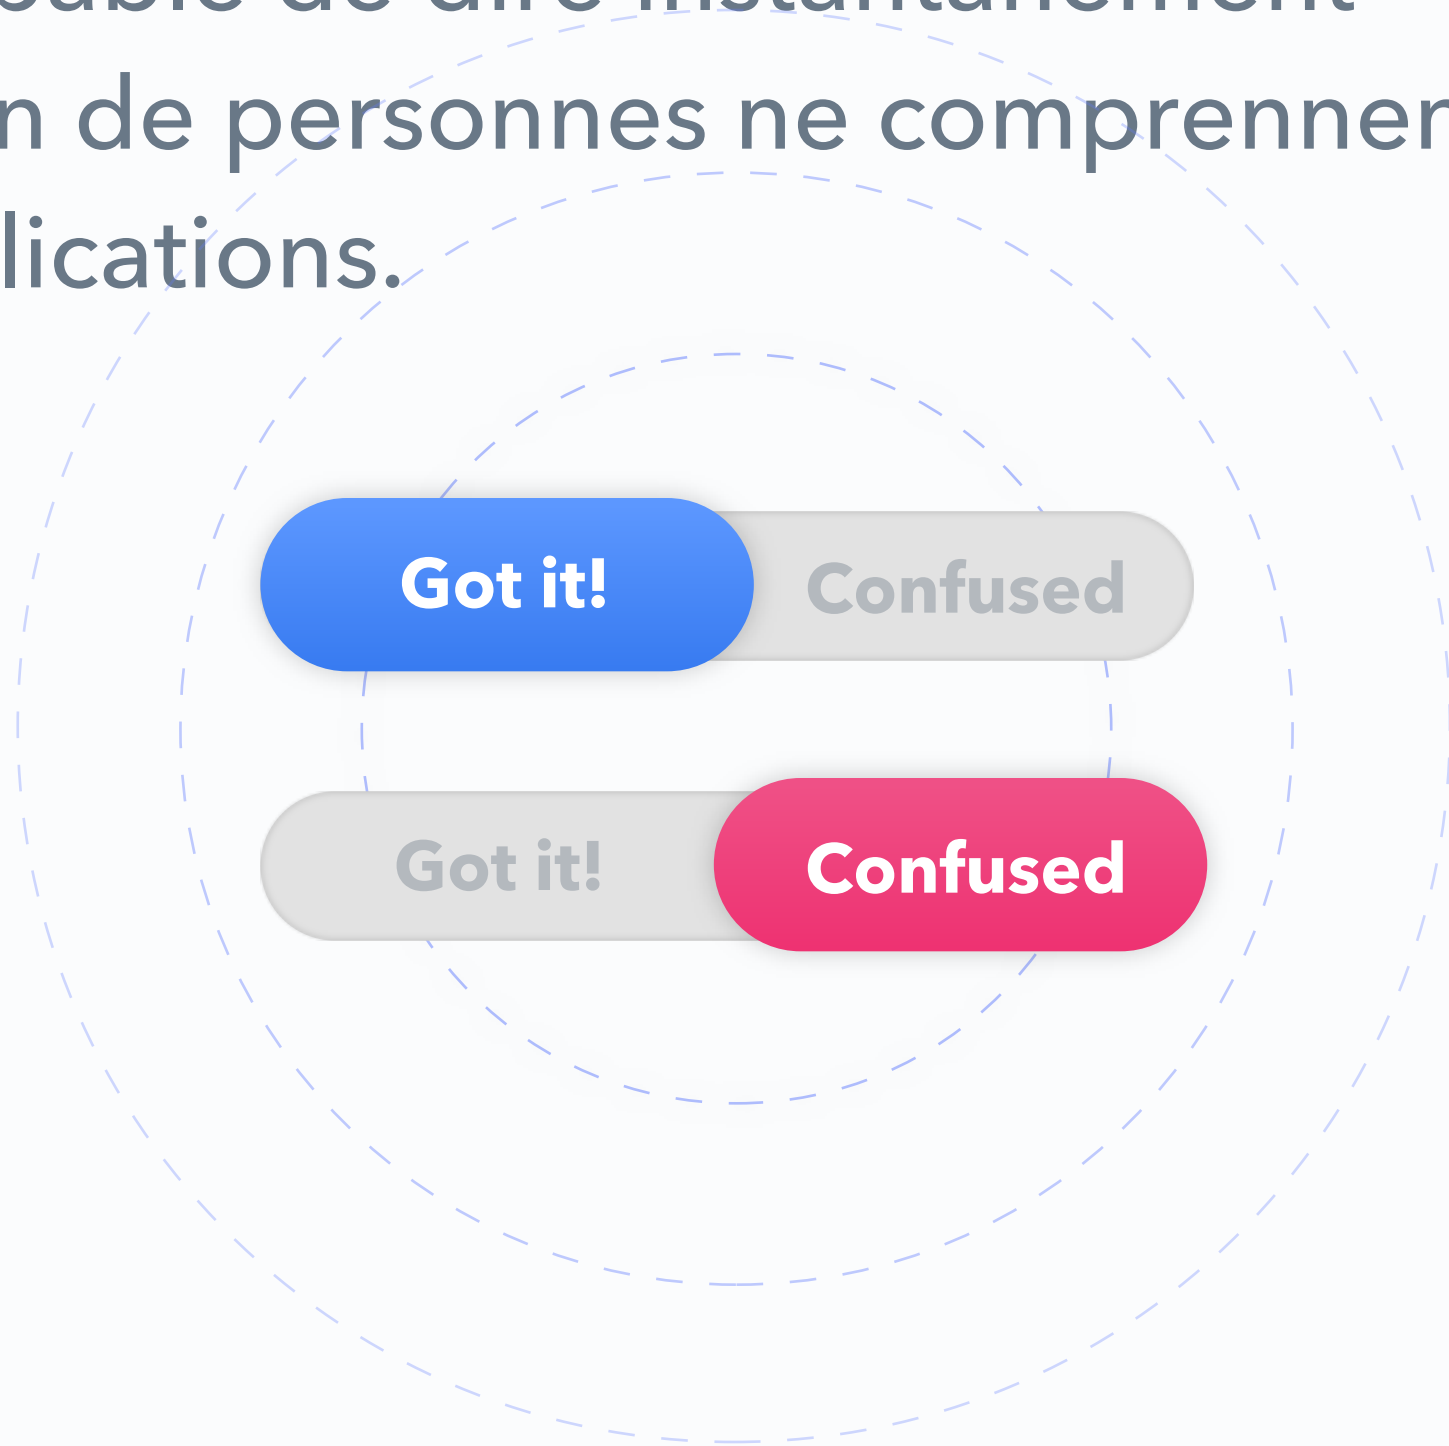

Activez le bouton "Je suis confus" pour les participants.

The screenshot shows the WooClap control panel. At the top, it displays the user's name 'Sebastien' and the language 'EN'. Below this, there are tabs for 'WALL OF MESSAGES' and 'PARTICIPANT PACE'. A 'START' button is visible at the bottom right. In the 'Settings' section, the toggle for the '"I'm confused" button' is turned 'ON' and is highlighted with a blue circle containing the number '1'. Other settings include 'Authentication' and 'Default visible results', both currently set to 'OFF'. A 'More options' gear icon is also present.

The screenshot shows the participant's voting interface. At the top, it displays the user's name 'Confused' and the number of votes '30'. The question is 'What is the capital of Uganda?'. Below the question, there are five options: 1. Brussels, 2. Kampala, 3. Tokyo, 4. London, and 5. Paris. The 'Kampala' option is selected and highlighted in blue, with a progress bar indicating 50% of the votes. The 'Tokyo' and 'London' options each have 25% of the votes. At the bottom, there are buttons for 'Votes 1 / 50', 'Messages', '100%', and 'Exit'. The WooClap logo is visible in the bottom left corner.

Étape 2

À tout moment pendant votre présentation, les participants peuvent basculer ce bouton pour changer leur état de « J'ai compris » à « je suis confus » et vice versa, vous serez ainsi capable de dire instantanément combien de personnes ne comprennent plus vos explications.

■ 1.5

Exportez vos résultats sous format Excel ou PDF.

Vous pouvez exporter vos questions et leurs résultats vers Excel / PDF sous la forme d'une grille ou d'un rapport.

The screenshot displays a poll interface with two questions. The first question, 'What is the capital of Ouganda?', has three options: Kampala (60%, 3 votes), Brussels (20%, 1 vote), and Nairobi (20%, 1 vote). The second question, 'How involved are you with sustainability?', has two options: 'I recycle even if it takes more time.' (0%, 0 votes) and 'I always try to take the public transportation, or share my car on car-sharing websites when I use it.' (0%, 0 votes). The interface includes 'BACK', 'PRINT AS PDF', and 'EXPORT TO EXCEL' buttons.

■ 1.6

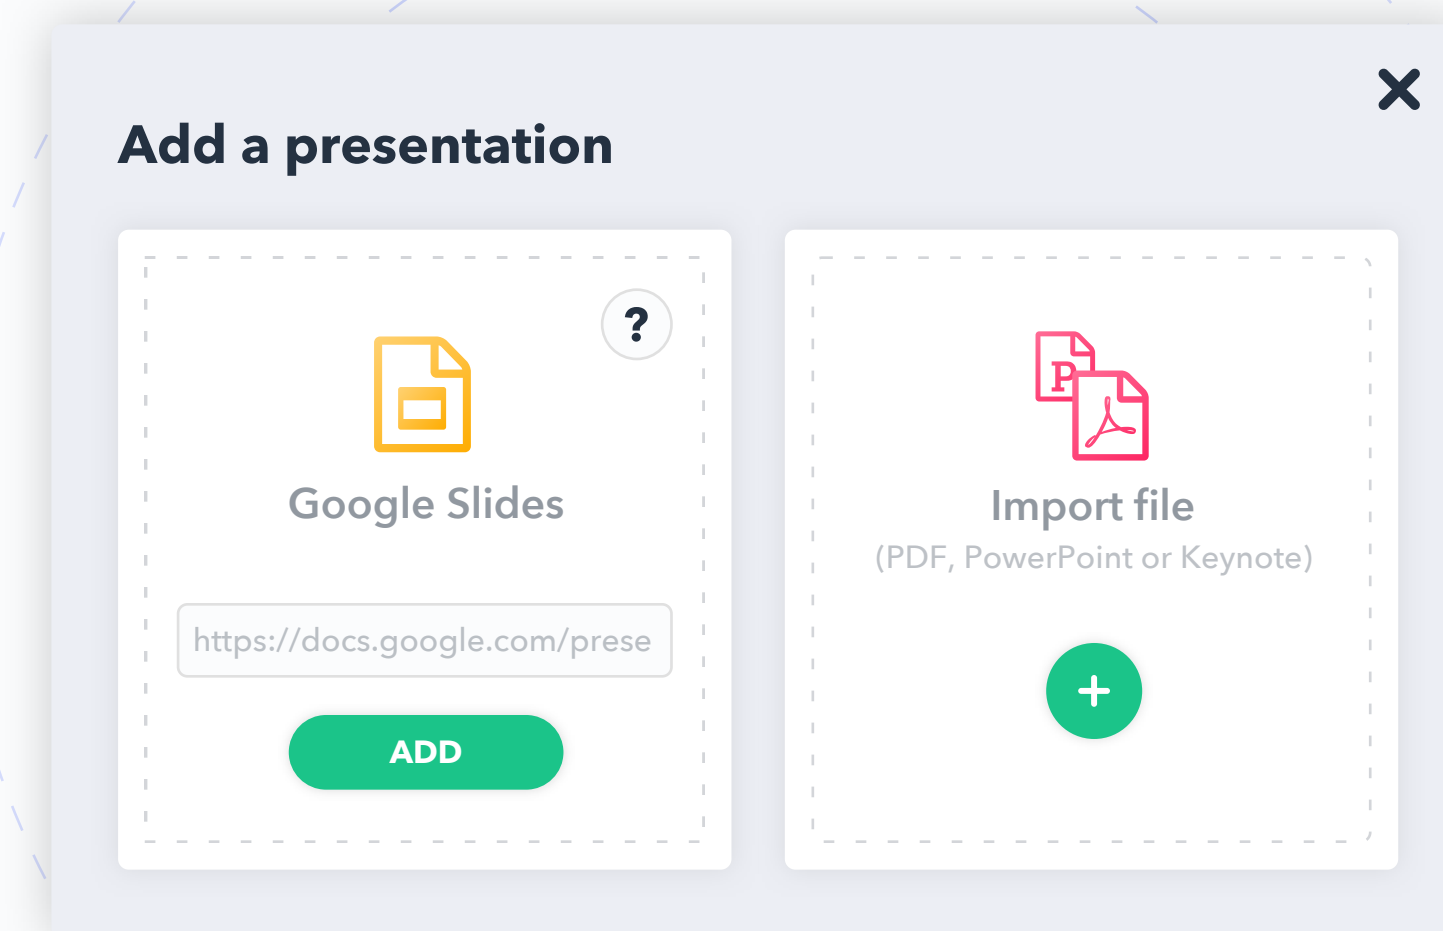

Comment intégrer vos questions dans votre présentation ?

Étape 1

Téléchargez votre présentation sur Wooclap. Nous supportons les présentations PowerPoint, Keynote, PDF et Google Slides.

The screenshot shows the Wooclap interface. At the top, there's a user profile for 'Sebastien' and a language selector 'EN'. Below that, there's a search bar with 'www.wooclap.com/ HELLO'. The main area is divided into 'WALL OF MESSAGES' and 'PARTICIPANT PAGE'. In the 'PARTICIPANT PAGE', there's a prominent green '+ 1' button labeled 'Add a presentation (PDF, PowerPoint or Google Slides)'. Below this, there's a 'Settings' panel with options for 'Authentication', 'Default visible results', and 'I'm confused' button, all currently turned 'OFF'. At the bottom, there are buttons for 'Export results' and 'Reset'.

This is a close-up of the 'Add a presentation' dialog box. It has a title bar with a close button 'X'. Inside, there are two main options: 'Google Slides' with a document icon and a URL input field containing 'https://docs.google.com/prese', and 'Import file (PDF, PowerPoint or Keynote)' with a document icon and a green '+'. Both options have an 'ADD' button below them.

Étape 2

Insérez des questions dans votre présentation en cliquant sur le bouton «+» entre les diapositives (à gauche) et en sélectionnant les questions dans la liste (à droite).

Diapositives

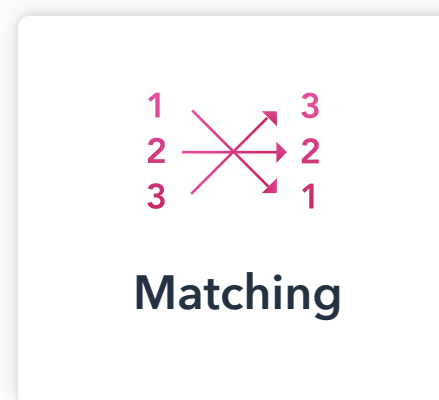

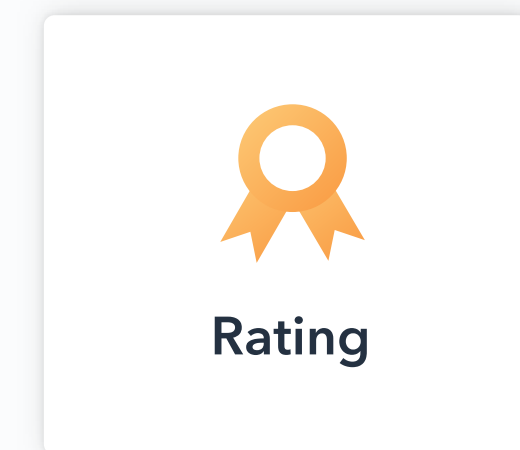

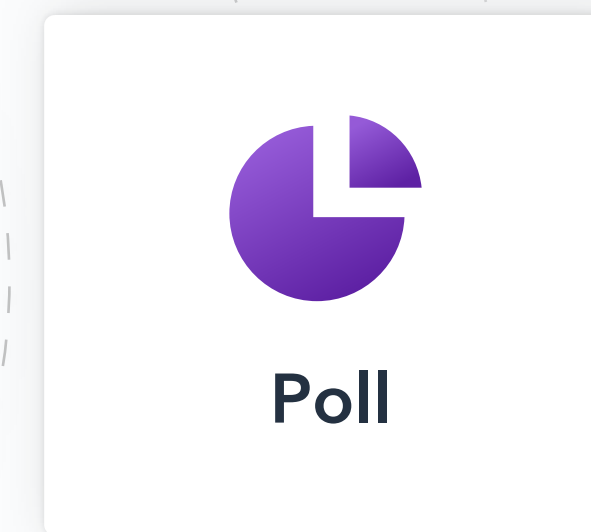

Liste des interactions

The screenshot shows the WooClap interface. On the left, under the heading "Diapositives", there is a presentation deck titled "EN_Features.pptx" with four slides. The first slide is numbered 1, the second 2, the third 3, and the fourth 4. The fourth slide has a green plus sign next to it. On the right, under the heading "Liste des interactions", there is a list of three questions. The first question is "Who's your favourite entrepreneur?", the second is "How many people will attend this year's TechCrunch Disrupt SF?", and the third is "Where is Belgium located?". The second question has a green plus sign and a hand cursor icon next to it.

Partie 2:

Types de questions

■ 2.1

Question à choix multiples

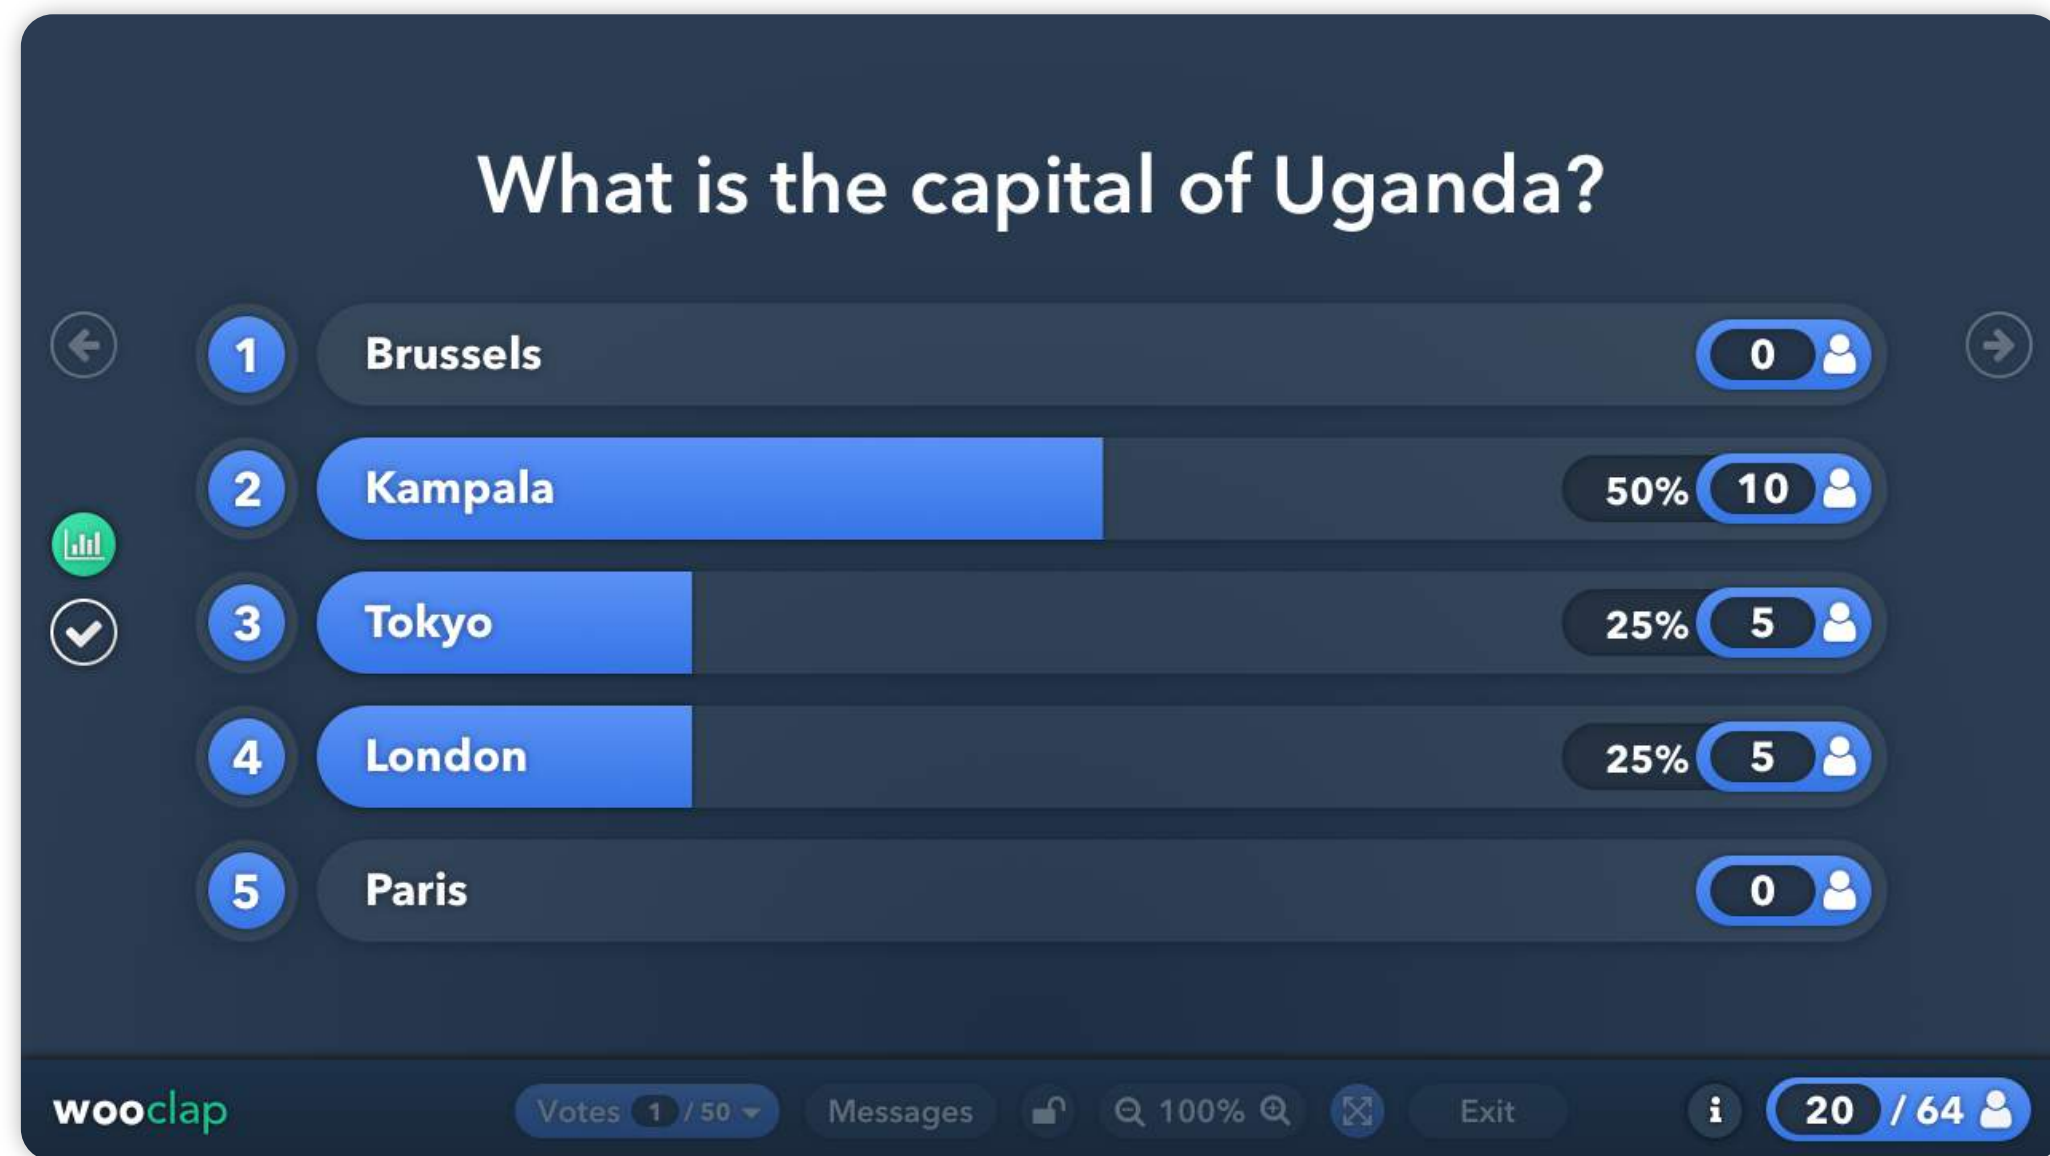

The screenshot displays a mobile application interface for a quiz. The question is "What is the capital of Uganda?". The options are Brussels, Kampala, Tokyo, London, and Paris. The current results are as follows:

Option	Percentage	Votes
1 Brussels	0%	0
2 Kampala	50%	10
3 Tokyo	25%	5
4 London	25%	5
5 Paris	0%	0

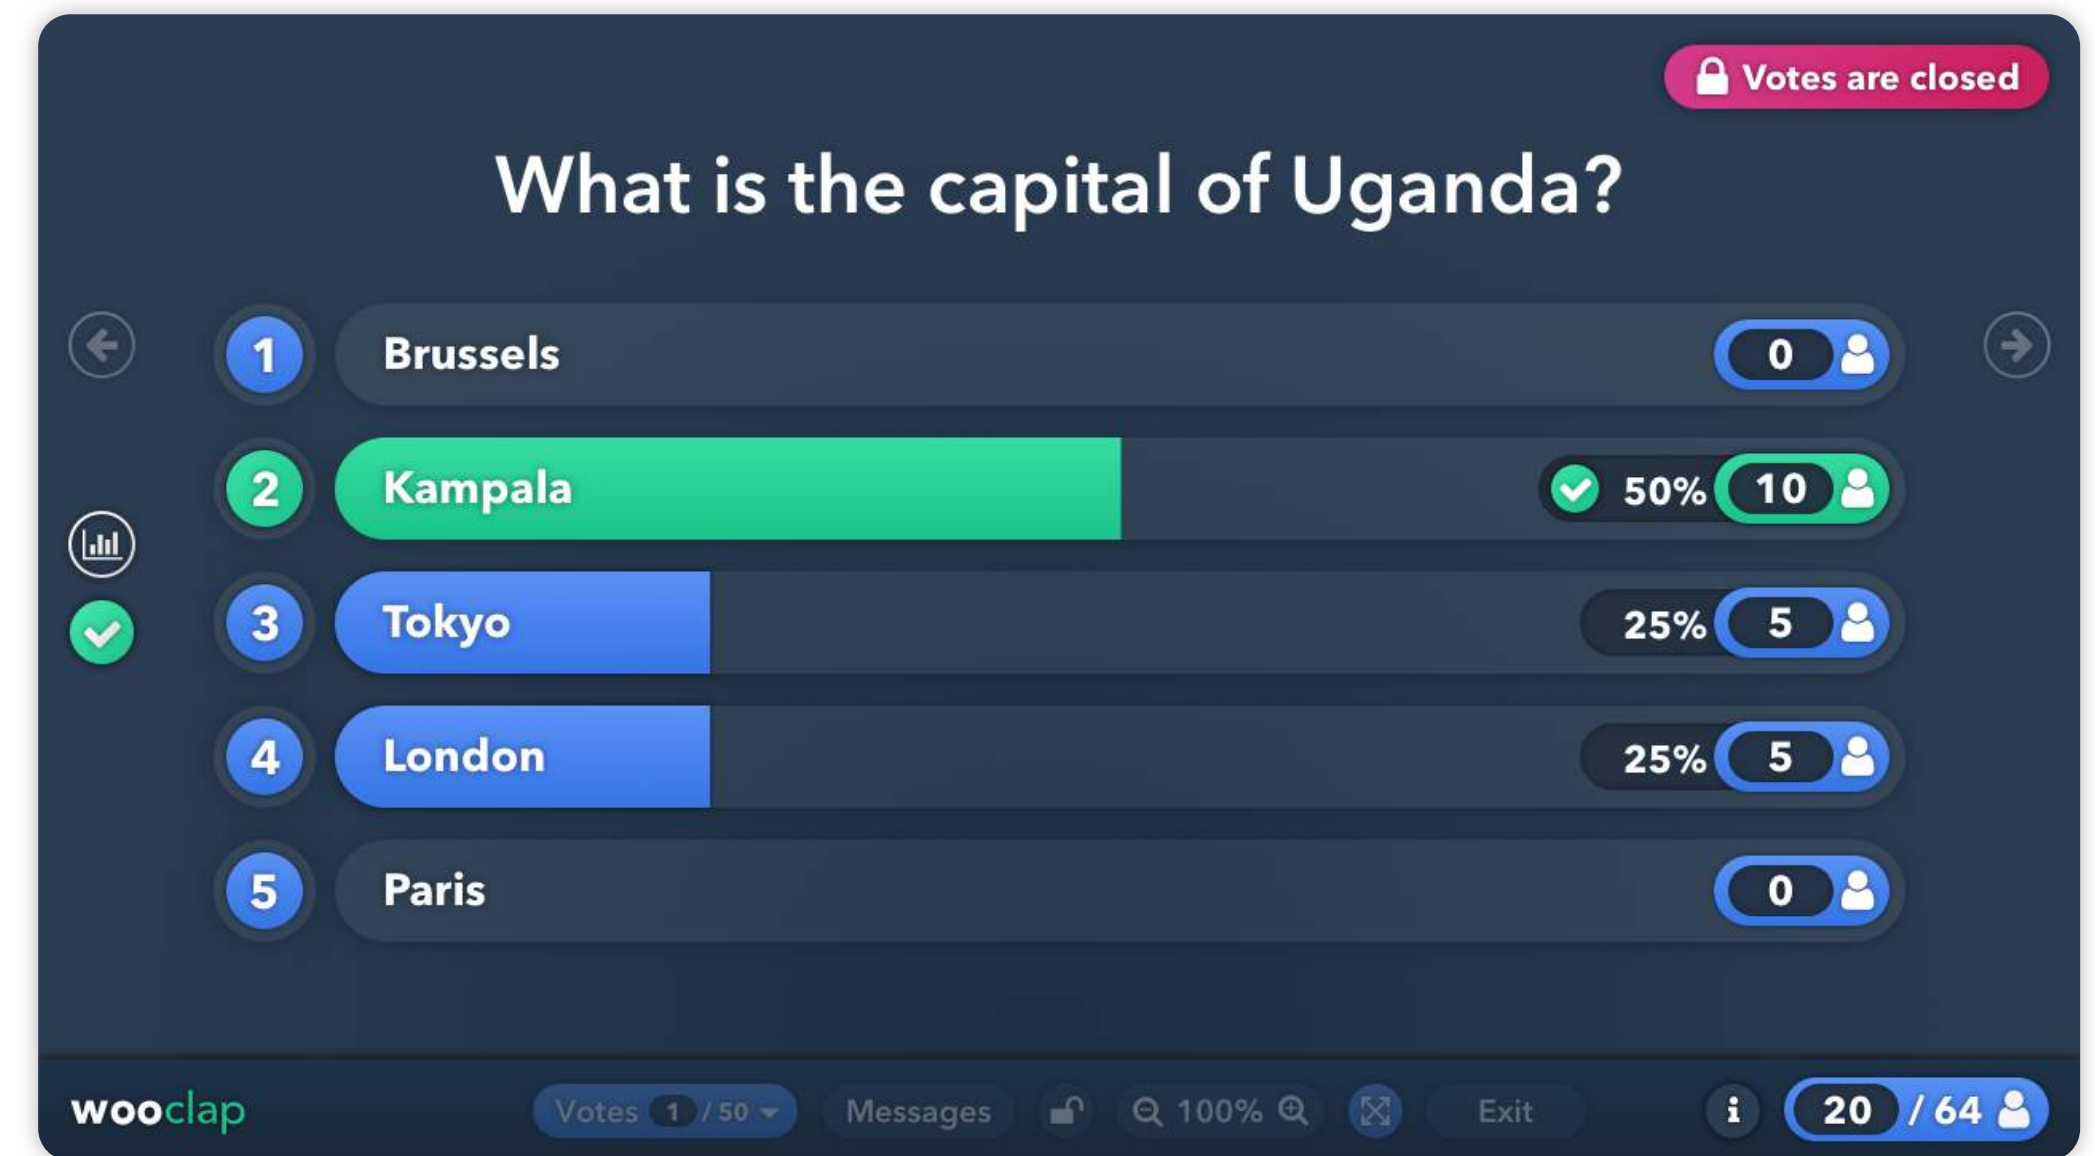

The app interface includes a "VALIDATE" button at the bottom left and a status bar at the bottom right showing "Votes 1 / 50", "Messages", "100%", and "Exit". The total number of votes is 20 out of 64.

■ 2.2

Sondage

The image shows a mobile application interface for a survey. The survey title is "How involved are you with sustainability?". The interface is split into two views: a list of questions on the left and a detailed view of the selected question on the right.

Survey Questions and Results:

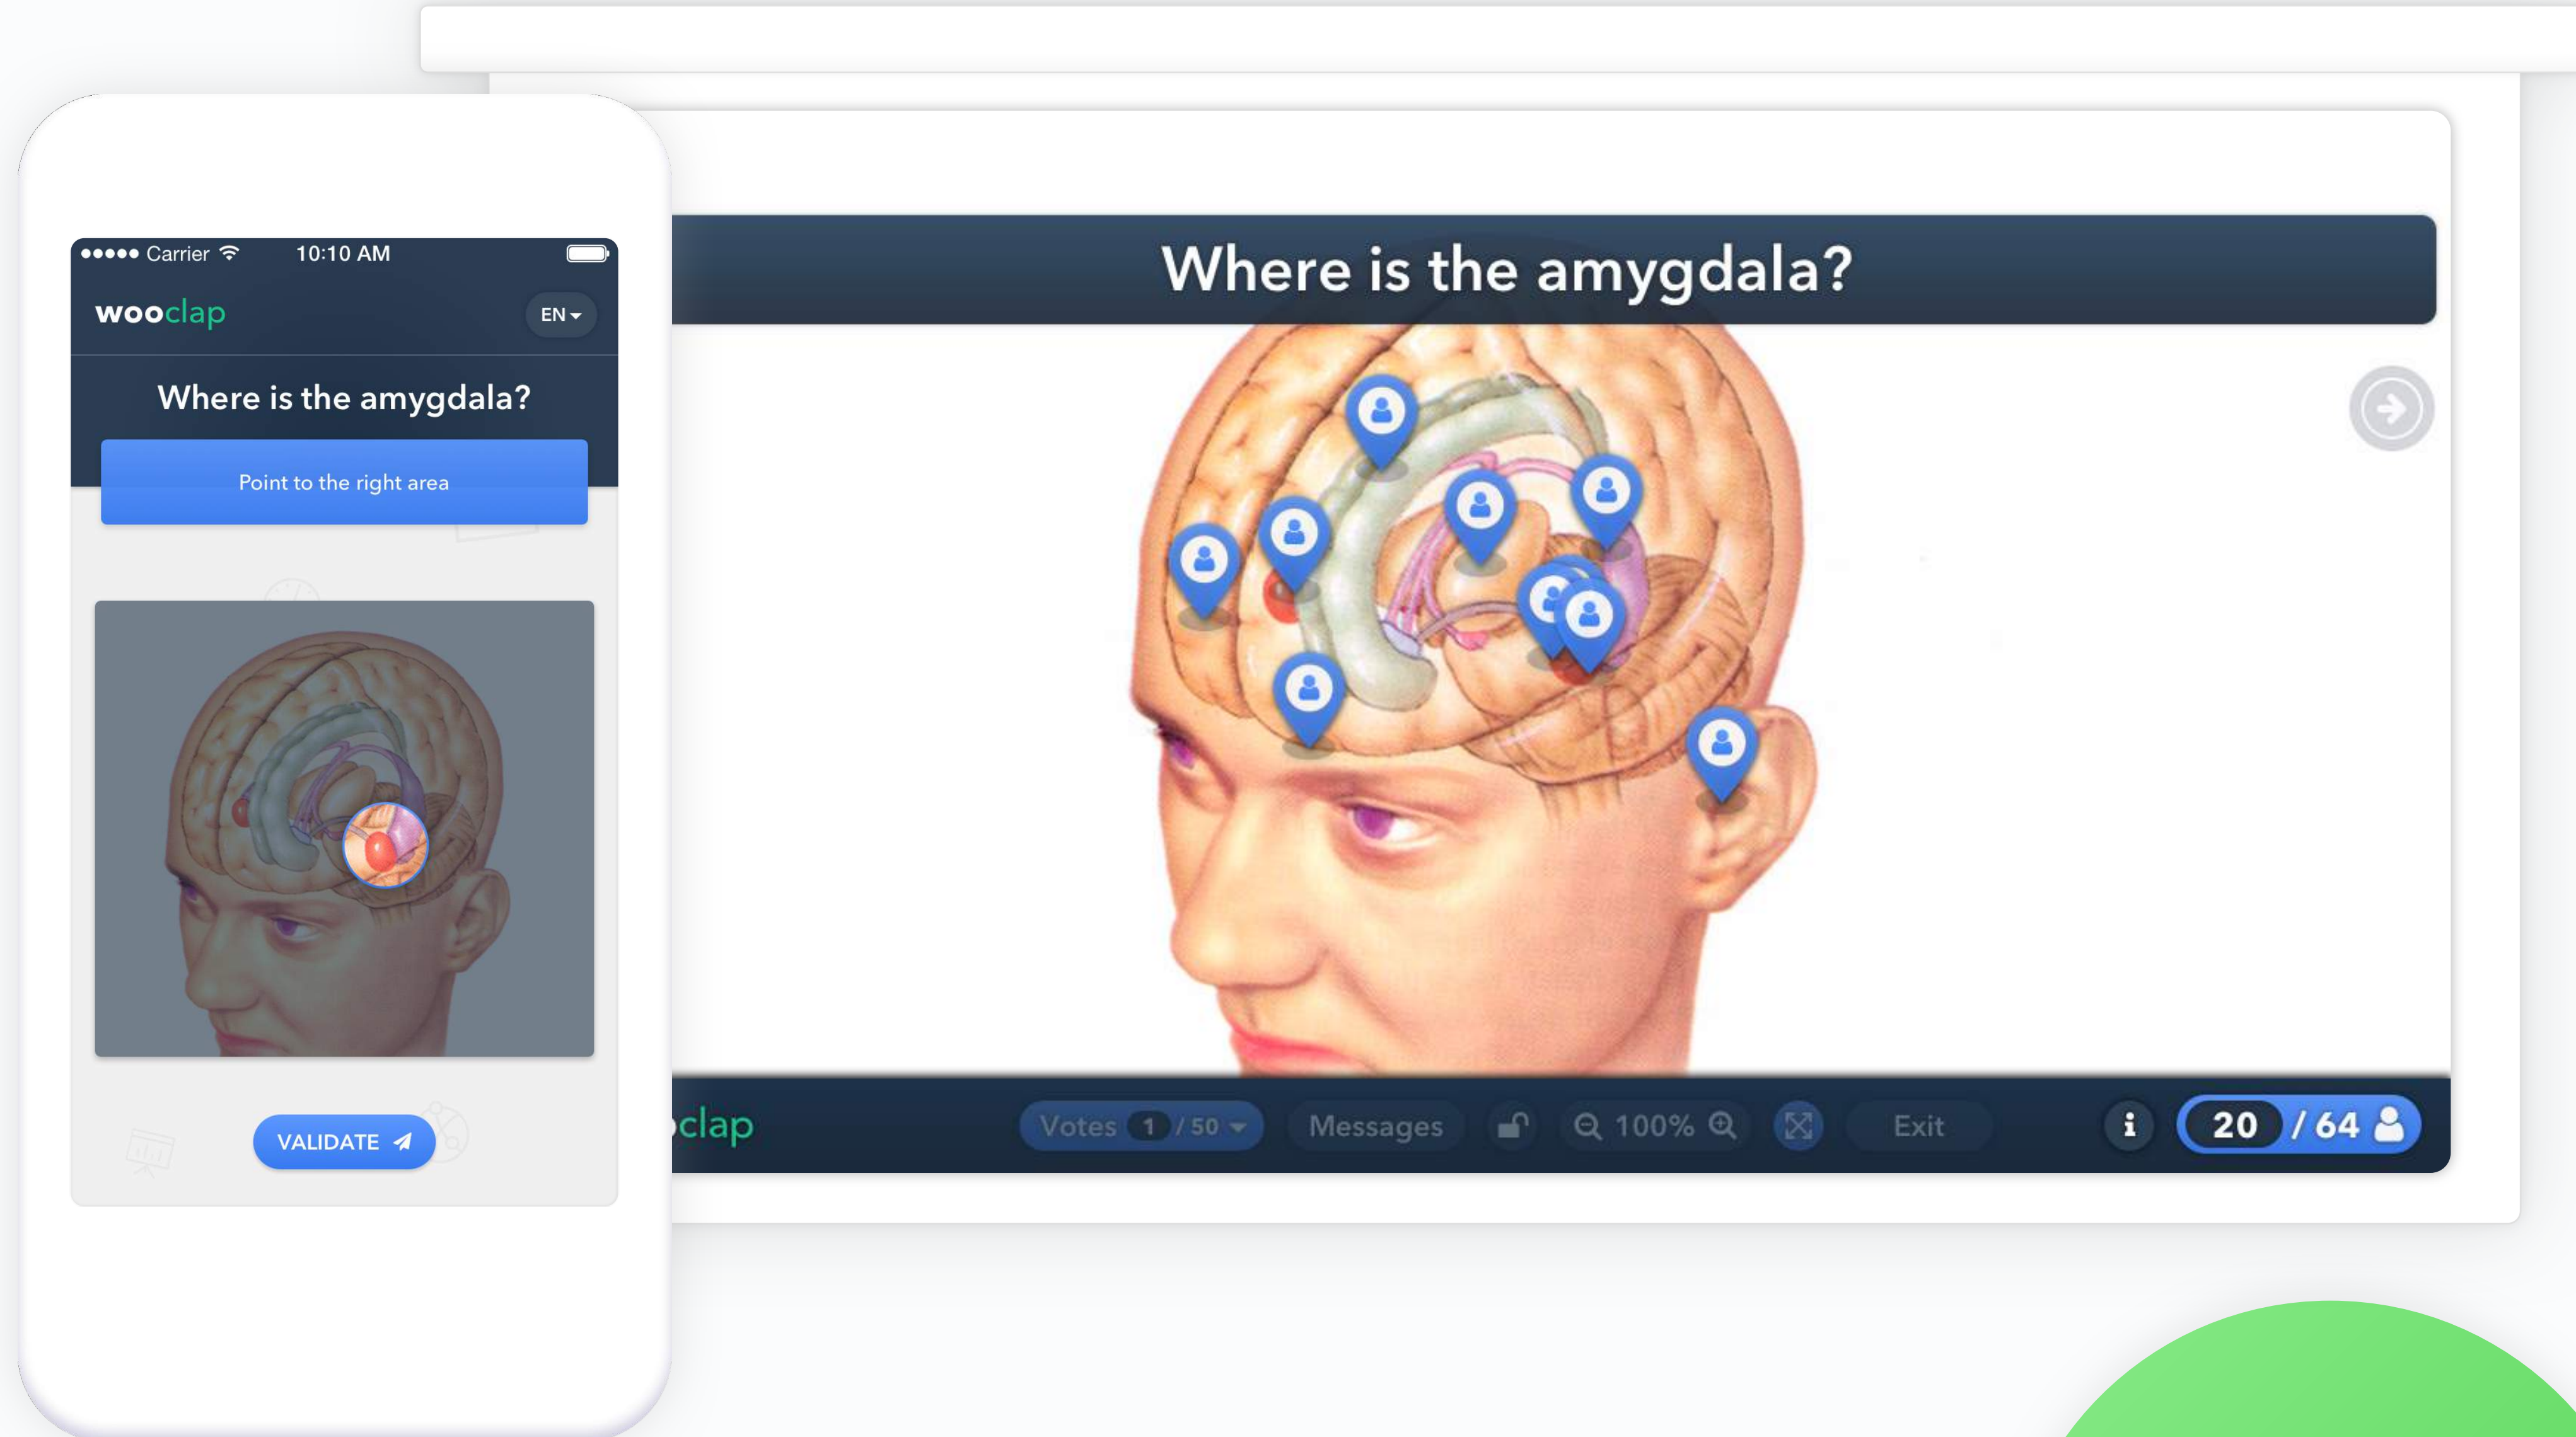

Question	Percentage	Count
1 I recycle even if it takes more time.	0%	0
2 I always try to use public transportation and share my car on car-sharing websites when I use it.	50%	10
3 I mostly eat locally produced goods, as long as it doesn't cost more.	25%	5
4 Even if it costs more, I will still only buy locally produced goods.	0%	0
5 I don't believe I can have an impact and don't take sustainability into account in my daily life.	25%	5

Mobile App Interface Details:

- Carrier: Carrier, Time: 10:10 AM, Language: EN
- Survey Title: How involved are you with sustainability?
- Question 1: I recycle even if it takes more time. (0 votes)

🏆 Échelle

The image displays two views of the wooclap rating interface. On the left is a mobile phone screen, and on the right is a larger desktop-style view.

Mobile View (Left): Shows the app interface with the title "Rate the following classes from 1 to 5". It lists five subjects with a 5-point rating scale:

- 1 Geography: Rating 2
- 2 Mathematics: Rating 2
- 3 History: Rating 1
- 4 English: Rating 1
- 5 Science: Rating 5 (with a "VALIDATE" button)

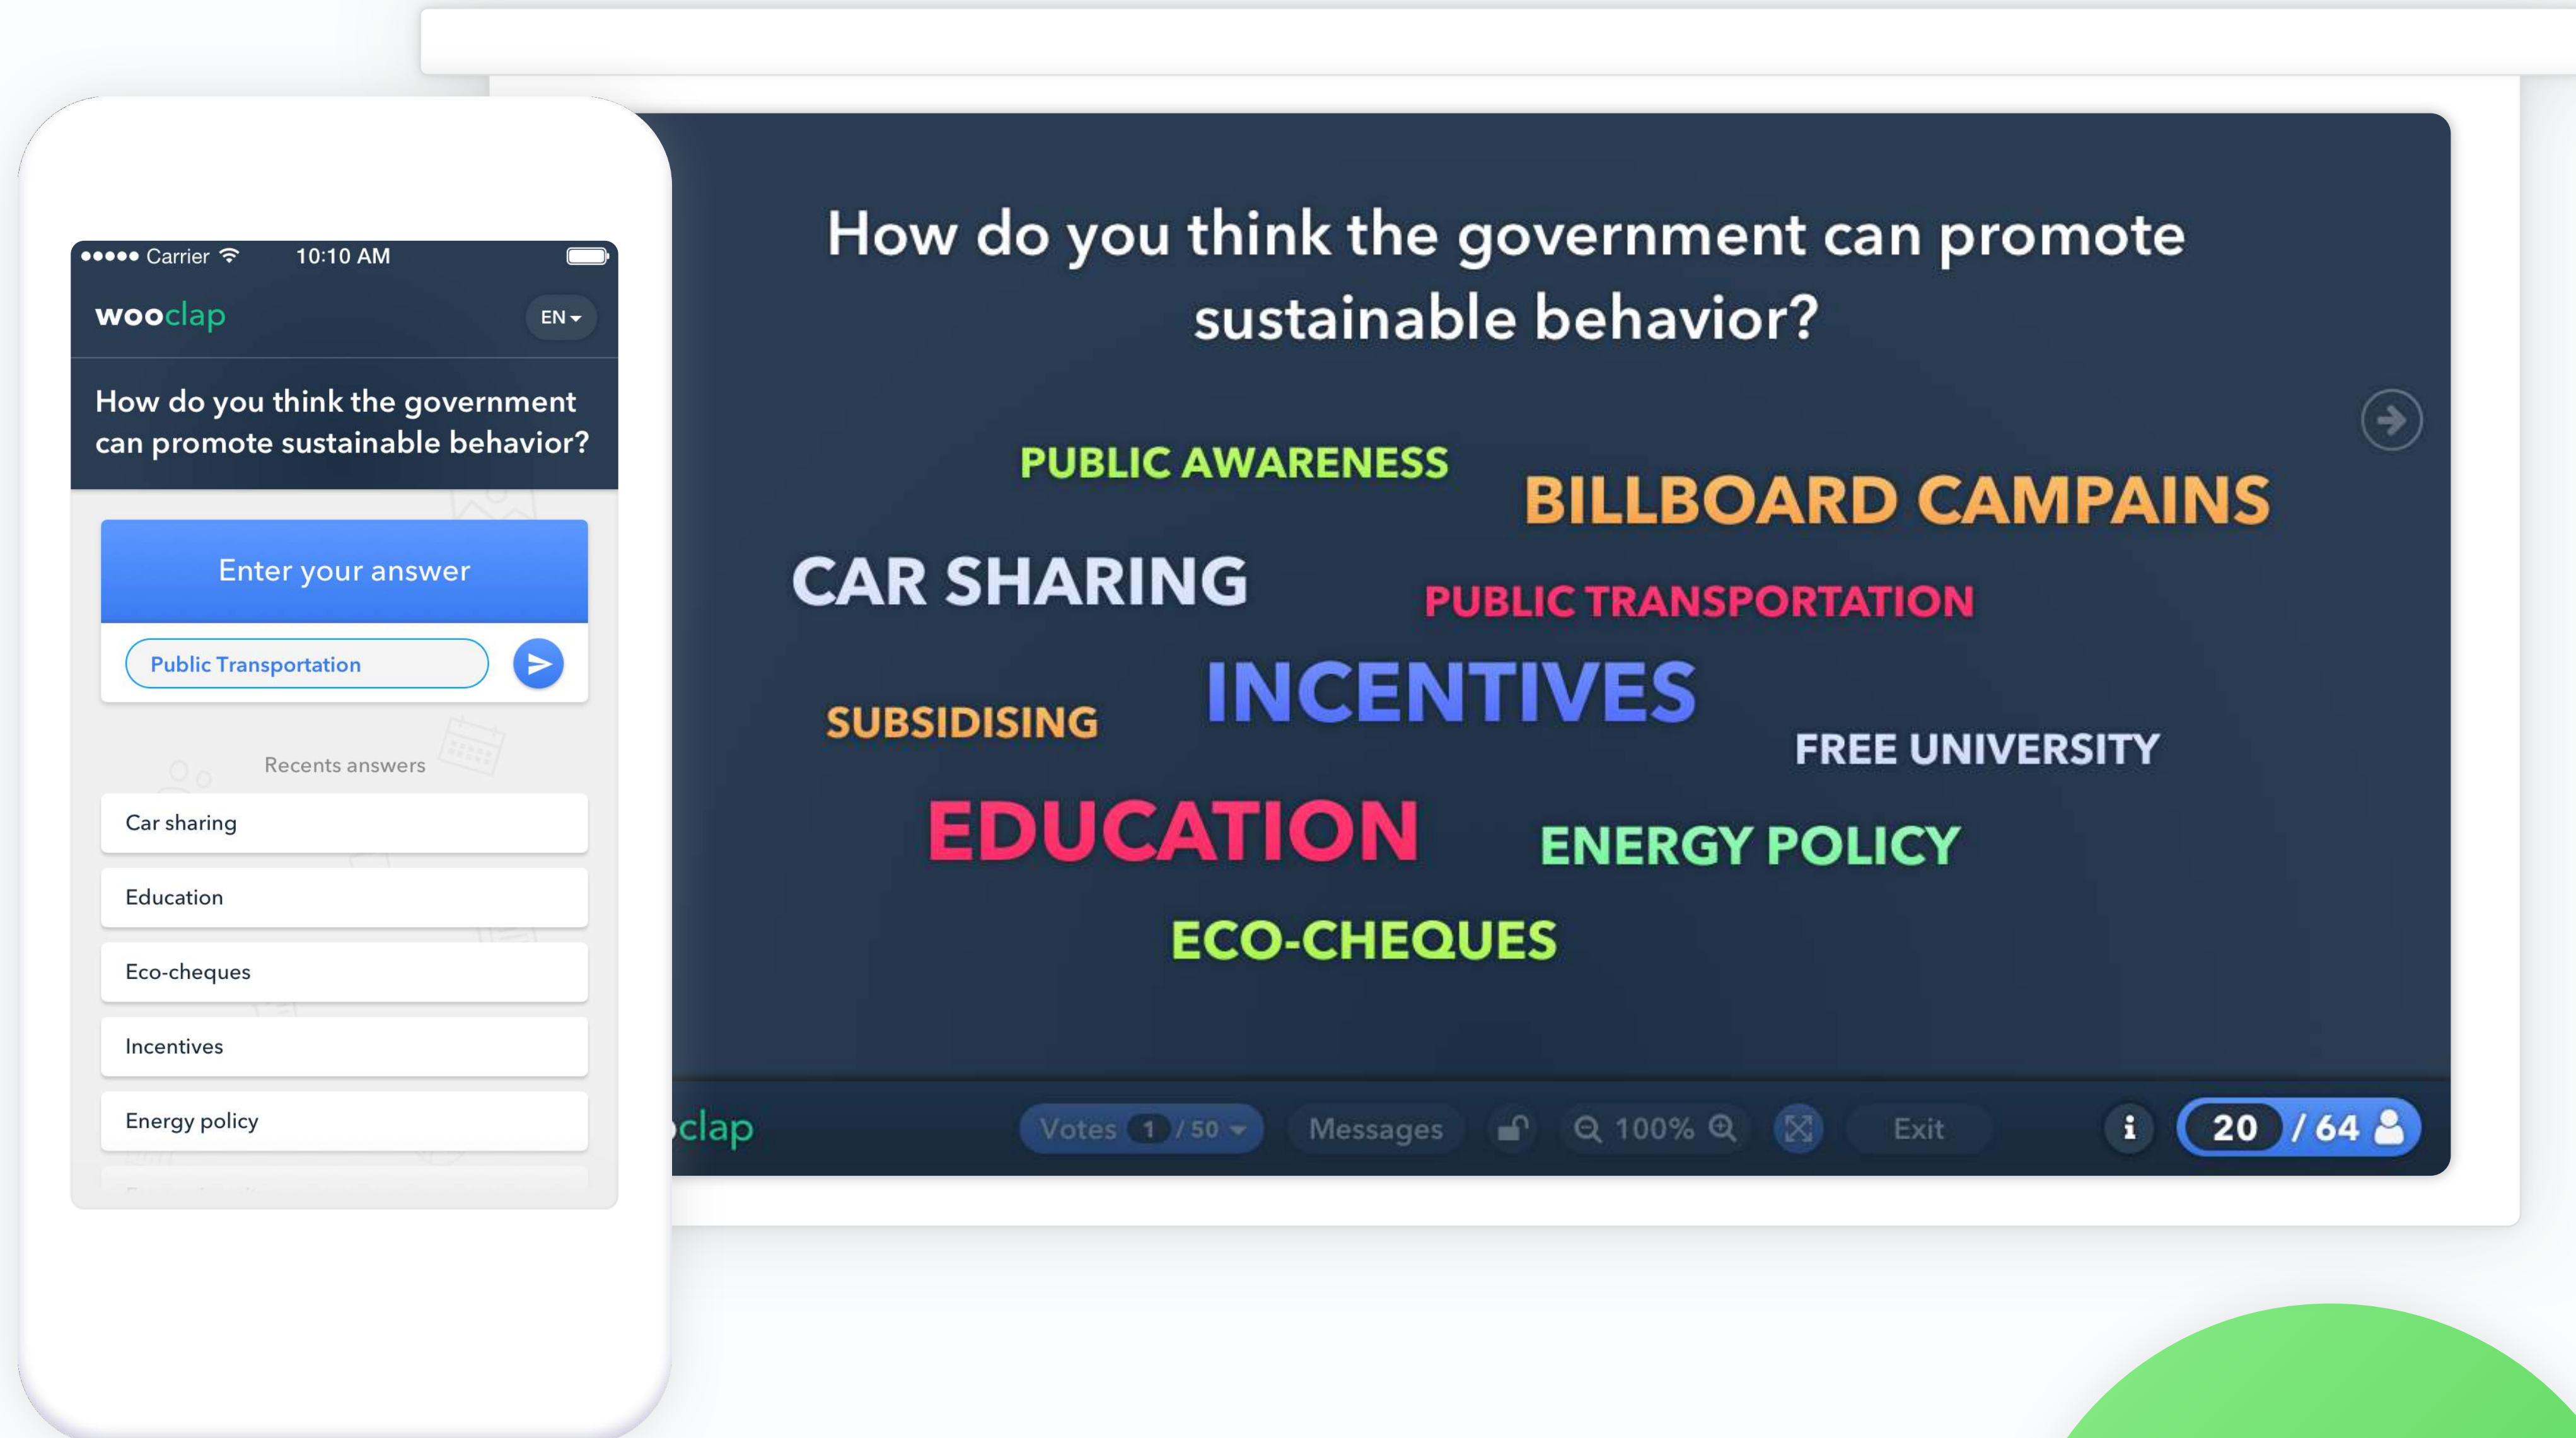

Desktop View (Right): Shows the same interface with a title "Rate the following classes from 1 to 5". It lists five subjects with a 5-point rating scale and a progress bar for each:

- 1 Geography: Rating 4.2
- 2 Mathematics: Rating 4.5
- 3 History: Rating 4
- 4 English: Rating 2
- 5 Science: Rating 0

The desktop view also includes a bottom navigation bar with the following elements: "wooclap", "Votes 1 / 50", "Messages", "100%", "Exit", and a user count "20 / 64".

Ordonnancement

The image displays two views of a mobile application interface. On the left is a smartphone mockup showing a task titled "Sort the following Operating Systems from old to new". The task is presented as a list of five numbered dropdown menus. The selected options are: 1. Windows 95, 2. Windows 98, 3. Windows XP, 4. Windows Vista, and 5. Windows 7. A "VALIDATE" button is located at the bottom of the list. On the right is a desktop view of the same task. The title is "Sort the following Operating Systems from old to new". Below the title are five items, each with a lettered label in a blue circle and a text box: A Windows 98, B Windows 7, C Windows Vista, D Windows XP, and E Windows 95. A right-pointing arrow is visible to the right of the first item. At the bottom of the desktop view, there is a navigation bar with the "wooclap" logo, "Votes 1 / 50", "Messages", a search icon, "100%", a close icon, "Exit", an information icon, and "20 / 64" with a user icon.

Si vous activez cette option, les résultats de n'importe quelle question seront visibles en temps réel une fois qu'ils sont affichés à l'écran.

The screenshot shows the Wooclap interface for an event titled "My Wooclap Event". The top navigation bar includes the Wooclap logo, the user name "Sebastien", and a language selector set to "EN". Below the navigation bar, there are three tabs: "VOTES", "WALL OF MESSAGES", and "PARTICIPANT PACE". A central button labeled "IMPORT QUESTIONS" is visible. Below this, there are six question type cards: "Prioritisation" (with a timer icon), "Guess a number", "Sorting", "Find on image", "Open question", and "Video". At the bottom, there is a question titled "0. How to participate?" with a "START" button. On the right side, a "Settings" panel is open, showing the "Result visible by default" toggle switch turned ON. A blue hand cursor icon is pointing at the "ON" switch. Other settings include "Authentication" (OFF), "'I'm confused' button" (ON), and "More options" (gear icon). At the bottom of the settings panel, there is an "Export results" button.
